## Clare College

(FOUNDED 1326)

*ARMS: gold three cheverons gules (for Clare) impating gold a cross gules (for Burgh) within a border sable with golden drops.*

THIS ancient College, founded as "University Hall" by RICHARD BADEW and refounded by LADY ELIZABETH, sister and co-heir of GILBERT, EARL OF CLARE, as "Clare Hall," consists of a Master and fifteen Fellows, besides Scholars and Students. The Fellowships are open to Bachelors of Arts, or persons of a higher degree, without restriction as to marriage. A Fellowship becomes vacant in five years and eleven months from the time of election, unless the Fellow hold the office of Professor, Public Orator, Registrary, or Librarian in the University, or the office of Tutor, Dean, Bursar, or Lecturer in the College. One of the Fellowships must be a Professorial Fellowship: and one may be held by a person not a member of the University of Cambridge or the University of Oxford at the time of his election. For the remaining Fellowships, none but Graduates of the University of Cambridge or the University of Oxford are eligible. The electors to the vacant Fellowships are the Master and Fellows: and in case there be an equal division, the Master has the casting vote. The Master, who must at the time of his election be a Master of Arts or of some equal or superior degree in the University of Cambridge or the University of Oxford, is elected by the above mentioned Fellows within thirty days after a vacancy is declared. If the vacancy occur out of Term time, the thirty days are reckoned from the first day of the Term next ensuing.

There were formerly nine Junior Fellowships founded by different benefactors (viz. three by Lord Exeter in 1612, two by John Freeman, Esq., in 1622, and four from the estates bequeathed to the College by Joseph Diggons, Esq., in 1658). The distinction which previously existed between Junior and Senior Fellowships has been recently abolished.

## SCHOLARSHIPS

The Foundation Scholarships at this College are as follows:

*Eight* of not less than £60 per annum, viz. :

Three by Lady Clare  
Two by Mr Freeman  
Two by Mr Diggons  
One by Dr Green

*Eight* of not less than £40 per annum, viz. :

Two by Mr Philpott  
Two by Dr Leeds  
One by Mr Stephenson  
One by Mr Pyke  
One by Mr Cherry  
One by Mr Hinman

*Eight* of not less than £20 per annum, viz. :

Two by Lord Exeter  
One by Lady Exeter  
One by Sir John Trott  
One by Mr Scrivener  
One by Mr Marshall  
One by Mr Borage  
One by Mr Wilson

*Three*, of about £60 per annum, tenable for three years, with preference to sons of Clergymen, founded by Mrs Tyldesley de Bosset.

*Four*, of £50 per annum each, and one of about £60 per annum, founded by the Rev. Dr Coles.

The values of these Scholarships are increased according to the merits of the candidates; and Exhibitions are also awarded.

Grants are made from time to time from the Scholarship fund in aid of deserving students in straitened circumstances, whether Scholars or not.

Nine Minor Scholarships, two of the value of £80 and seven of the value of £60 or £40, with Exhibitions of less value, will be offered for competition this year among students intending to begin residence in October 1920, for Classics, or Mathematics, or Natural Science, or Mechanical Sciences, or History, or Modern Languages.

## EXHIBITIONS

*Two* by Mr Cave, appropriated to scholars from Wakefield School, value at present about £50 per annum.

*One* by Alexander Metcalfe, appropriated to a scholar from Hull School, value £40 per annum.

*Four* of about £20 per annum at present each, founded by Archdeacon Johnson, with a preference to persons educated at Oakham and Uppingham Schools.

An Exhibition of about £40 per annum founded by the Rev. Canon E. J. Beck for students intending to take Orders in the

Church of England who are preparing for an Honours Examination or are engaged in Research.

A Denman Baynes Research Studentship of £100 per annum in Mathematics, or Physics or Chemistry for graduates.

### ANNUAL PRIZES

Two silver cups, with appropriate inscriptions, value £6 each, left by Dr Robert Greene, of Tamworth, formerly Fellow of the College, for commencing Bachelors of Arts; the first as the reward of regularity of conduct including attendance at Chapel, the second of general learning.

The Owst Prize, varying from £10 to £15 annually, with intermediate accumulations, founded by Anthony Owst-Atkinson, LL.D., late Scholar of the College, and Mrs Mary Taylor, both of Kingston-upon-Hull, for commencing Bachelors of Arts who shall be amongst the first six in the Mathematical or the Classical Tripos. Divided in 1918 between A. C. Banerji, B.A. and H. W. Bligh, B.A.

There is also an Annual Examination about the division of the Easter Term, when Prizes in books, bearing the College arms, are given to all such as may be thought deserving.

A Prize is also given to the best reader in Chapel. Awarded in 1920 to R. J. L. Kingsford.

A Prize is also annually offered in Theology.

A Prize of £10 is given to the resident member of the College who stands highest in the Final Examination of Selected Candidates for the Indian Civil Service, provided that he be placed in the first half of the final list of Selected Candidates.

A Prize of the value of about £12. 12s., founded by Josiah Yeomans Robins, M.A., of Clare College, is given to students who have completed their ninth term and have passed an Honours Examination, provided they intend to reside and read for a second Honours Examination.

## Pembroke College

(FOUNDED 1347)

ARMS: those of the Foundress as shewn on her seal, *barry of ten pieces silver and azure and an orle of martlets gules* (for Valence) *halved with gules three pales vair and a gold chief with a label of five pieces azure* (for Seynt Pol).

THIS College was founded under the name of "the Hall or House of Valence-Mary," by MARY DE S. POL, the widow of AYMER DE VALENCE, EARL OF PEMBROKE; and KING HENRY VI was so liberal a benefactor to it, as to obtain the name of a second Founder.

There are thirteen Foundation Fellowships open to persons of every nation, and unrestricted as to counties.

Although there may be no Fellowship vacant, yet a candidate is never considered as superannuated.

Foundation and Minor Scholarships and Exhibitions are awarded from the Scholarship Fund.

There are six Scholarships on the original Foundation.

Scholarships have been founded by Dr Watts, Archbishop Grindal, Mr Smart, Mr Scrivenor, Mr James, Bishop Lany, Sergeant Moses, Dr Mapletoft, Mr Parkin, and Dr Stuart; three Scholarships of £80 a year were founded by Mr Beatson: a Bachelor Scholarship was founded in memory of Mr Prior, formerly Tutor, and two Scholarships (of £60 a year), one for Classics and one for Natural Science, were founded by Mr Shoolbred. Scholarships have also been founded by the late Joseph Webster Drew, M.A., LL.M., formerly Scholar of the College, and Mrs Drew; and by Mr Meryon in memory of his son, L. K. Meryon, formerly a member of the College.

There are at present thirty-five Foundation Scholars, eight Minor Scholars elect, seven Exhibitioners, and five Exhibitioners elect.

There is also one Exhibition, of the yearly value of £70, founded by Mr John Holmes, for a scholar educated at Blackrode School in Lancashire. This Exhibition is given by the Governors of the School; and the scholar who holds it also receives from the College an additional Exhibition, the gift of Mr Warren, formerly a Blackrode Scholar, of the yearly value of £5.

There is an annual Examination after the division of the Easter Term, in Mathematics, Classics, Theology, and the subjects of the other Tripos Examinations, when Prizes in books are awarded in each year for proficiency in the various subjects. The Foundation Scholarships and Exhibitions are in general adjudged on the results of this Examination.

Gratuities are awarded to members of the College on the result of the Open Competition for the Home Civil Service and the Civil Service of India and of the Final Examination for the Civil Service of India.

Prizes of books are offered annually for Compositions in Greek and Latin Verse and for English Essays.

A Prize of books is also given to the best reader in Chapel, whose general good conduct has gained the approbation of the College.

The sum of £30 is also offered annually in one or more gratuities for proficiency in the Hebrew and Greek Scriptures. Undergraduates or Bachelors of not more than three years' standing may compete for these gratuities at the annual College Examination.

The Neil Prize, founded in memory of Robert Alexander Neil, formerly Tutor, is offered annually to graduate members of the College below the standing of M.A. for the best dissertation on any subject in the life, history, literature, or art of Ancient, Medieval or Modern times.

The Blackburne-Daniell Prize, founded in memory of Francis Reginald Blackburne-Daniell, formerly a member of the College, is awarded to the student of the second year who acquits himself most creditably in a Tripos Examination or in the annual College Examination.

## Gonville and Caius College

(FOUNDED 1348)

*ARMS: silver a cheveron and two cotises dancetty sable with three gold scallops on the cheveron (for Gonville) impaling gold sown with gentil flowers and a sengreen in the chief with two serpents with knitted tails resting on a square of green marble and holding between them a book sable garnished gules and with buckles of gold (for Caius) all within a border gobony of silver and sable. They were formally granted to the College in 1575 by Robert Cooke, Clarencieux King of Arms.*

THIS College, originally styled Gonville Hall, was founded in 1348, by EDMUND GONVILLE, rector of Terrington, in Norfolk, son of William Gonville, and endowed for a Master and three Fellows. The original site was between Free-School Lane and the churchyard of St Botolph's.

The name of the College and its situation were both changed by WILLIAM BATEMAN, BISHOP OF NORWICH, whom Gonville had appointed to be his executor. In 1353, Bateman established the College where the Gonville Court at present stands; and previously to this removal he had changed Gonville's statutes for statutes of his own, and altered the name to the "Hall of the Annunciation of Blessed Mary the Virgin." Thus, and by certain endowments, he made himself a Second Founder.

The revenues were afterwards increased by various Benefactors.

In 1557, JOHN CAIUS, M.D., the Third Founder, obtained the Royal Charter by which the former foundations were all confirmed, and his own foundation was established. By this Charter the College was thenceforward to be called GONVILLE AND CAIUS College.

By the revised statutes made under the provisions of the Oxford and Cambridge Universities Act, 1877, and amended in 1885, 1890, 1892, 1893, 1904, 1911, 1914, the College is to consist of a Master, at least twenty Fellows exclusive of the Drosier Fellows, and such number of Scholars as the Governing Body may from time to time determine. Two of the Fellowships are Professorial Fellowships.

By the will of the late WILLIAM HENRY DROSIER, M.D., Senior Fellow of the College, who died on May 13, 1889, the endowments of the College are increased by six new Fellowships, called the Drosier Fellowships.

A new Corporate Fellowship, called the Monro Fellowship,

has been founded by the aid of the benefaction of the late Charles Henry Monro, M.A., Senior Fellow of the College, who died on February 23, 1908. There are at present in all thirty-three Fellows.

### FELLOWSHIPS

The government of the College is in the hands of the Master and twelve of the Fellows. The Fellows of the College are to be chosen from those persons (being otherwise qualified according to the Statutes) whom the Governing Body shall think to be of the greatest merit and most fit to be Fellows of the College as a place of education religion learning and research. Drosier Fellowships are tenable in the first instance for three years, but may be prolonged by a vote of the Governing Body for a further period of three years. Corporate Fellowships are tenable in the first instance for six years. Fellowships may however be retained if the Fellow be holding certain University or College Offices; or shall have held some one or more of such College Offices during the space of twenty years; or shall have been permitted by a special vote of the Governing Body to retain his Fellowship on account of his literary or scientific reputation or labours or on the ground of his holding a University Readership or Lectureship. The Governing Body have power on or within a year after electing a Fellow to attach any special condition to the tenure of his Fellowship which may seem to them desirable in the interests of the College. A Fellowship may in certain cases be prolonged or an ex-Fellow re-elected at a General Meeting of the Master and Fellows.

### SCHOLARSHIPS AND EXHIBITIONS

The Scholarships are of two kinds. (1) ENTRANCE SCHOLARSHIPS (of values varying from £40 to £80). These are competed for before admission to the College; candidates must be under 19 years of age on the first day of the academical year in which the examination is held. The College has the power to offer not more than two Entrance Scholarships in any one year without restriction of age. The subjects of examination are generally Mathematics, Classics, Natural Science, Modern Languages, Oriental Languages and History. (2) FOUNDATION SCHOLARSHIPS. These are awarded, on the results of the Annual College examinations, to persons already in residence and without restriction of age. They are given for proficiency in any of the branches of study mentioned above, as also for Theology, Law, Moral Sciences, and Mechanical Sciences, and in some cases to candidates or selected students for the Indian Civil Service. The annual value ranges from £40 to £100. These Scholarships are as a rule tenable until the Scholars are of standing to take the degree of B.A., but in cases of special merit the tenure is prolonged for a year or more.

A Salomons Scholarship of about £80 a year for three years, for Civil and Electrical Engineering, will ordinarily be vacant every two years. These Scholarships (founded by Sir David L. Salomons, Bart.) are awarded as Entrance Scholarships, the subjects of Examination being the same as for the Mathematical Entrance Scholarships. The successful candidates are required to read for the Mechanical Sciences ("Engineering") Tripos.

Six or more Scholarships will be established upon the benefaction of the late Viscount Rhondda of Llanwern. Two will be awarded as Entrance Scholarships each year by preference to candidates who are residents or sons of residents in Wales or Monmouthshire. The successful candidates will be required to read for Honours in Mathematics, Moral Science, Economics, or Natural Science.

Exhibitions are given under the same conditions as Scholarships, but for a somewhat lower standard of merit.

Three Chapel-clerkships (one of them as a rule Choral) of £30 each tenable for one year are given at the end of the second year of residence. Candidates in sending in their application must show that they have need of pecuniary help and must be recommended by the Tutors to the Governing Body.

Two Exhibitions at least of £30 each are given to resident Bachelors of Arts who are candidates for Holy Orders.

The Yatman Exhibition of about £34 a year is given, without competitive examination, to a student who needs help and declares his intention of being a candidate for Holy Orders.

Two Exhibitions of about £30 a year, established by an anonymous donor, are awarded without competitive examination to students whose need is proved to the satisfaction of the Tutors. They are tenable with a Scholarship and may be held for one or for two years. The special study of the Exhibitioners must be Classics, Sanskrit, English Literature, History, Law, or Theology, but in the last case they must be candidates for Holy Orders in the Church of England. The students must be of British parentage.

There is a Musical Scholarship of £80 tenable for three years. The duties of the Scholar are to sing in the Chapel Choir or to act as deputy for the Organist as may be required and he is required to read for the Mus.B. degree.

There are besides three Choral Exhibitions, of £40 each, tenable for three years. The duties of the Exhibitioners are to assist in the daily choral services of the College Chapel, and they are required to read for a degree.

Scholarships or Exhibitions may be awarded, or continued for the fourth year of residence, to undergraduates or graduates, who are candidates for a Tripos or part of a Tripos and are also candidates for the Indian Civil Service Open Competition.

## RESEARCH STUDENTSHIPS

The Research Studentships of the College are each of the annual value of £125, but in special circumstances an additional grant may be made to the Student. They are ordinarily tenable for two years but a Studentship may be continued for a third year. The Studentships are not awarded by the result of an examination, and in electing Students regard is had by the Governing Body mainly to the evidence as to the ability of the candidate to carry on original work. The Students are required to devote themselves to research, not to undertake any work which in the opinion of the Governing Body would interfere with their research, and to reside in Cambridge unless leave be given them to work elsewhere.

All the Studentships, with the exception of the Rhondda Studentships, are open in the first instance to members of the College who, not being Research Students of the University, are of not less than eight and not more than fifteen terms standing, or, being Research Students of the University, are of not more than six terms standing. But if no suitable candidate belonging to the College presents himself for a vacant Studentship, the Governing Body may award it to any person properly qualified to carry on research provided that he enters the University as a Research Student, or in the case of the "Frank Smart" Studentships to a member of the University of the same standing as is prescribed for candidates who are members of the College. But any Students so elected must forthwith procure admission to the College.

The following are the Studentships and the subjects for which they are awarded or to which preference is given in election :

The Ramadge Studentship for any branch of literary study, but by preference for Law or History; founded in 1902 upon the benefaction of the late Frederick Ramadge, M.A. Barrister-at-Law, formerly Fellow of the College.

The Christopher James Studentship for any branch of literary study, but by preference for Languages or Archaeology; founded in 1910 upon the benefaction of the late Christopher James, M.A. Barrister-at-Law, sometime Fellow of the College.

The George Green Studentship for Pure or Applied Mathematics, instituted in 1919.

The Sir Thomas Gresham Studentship for Political Economy or Economics, instituted in 1907.

The Shuttleworth Studentship for Zoology or Physiology, but failing suitable candidates in these subjects, for any branch of Natural Science; founded in 1868 under the will of the late Dr Shuttleworth, sometime Fellow of the College.

The Frank Smart Studentship for Botany; founded in 1888 by the late Francis Gray Smart, M.A., M.B. and Mrs Smart.

Two Frank Smart Studentships for Natural History (including Geology and all branches of biological Sciences); founded in 1913 under the will of the late Francis Gray Smart, M.A., M.B.

The Wollaston Studentship for Chemistry and Physics, instituted in 1913.

Two Rhondda Studentships for any branch of study recognised in the University, established in 1919 upon the benefaction of the late Viscount Rhondda of Llanwern, Honorary Fellow of the College. These two Studentships are restricted to candidates who are residents or sons of residents in Wales or Monmouthshire.

The Dunlop Scholarship, founded in 1914 by a bequest of the late John Gunning Moore Dunlop, M.A., formerly Scholar of the College, for the encouragement of advanced study and research in Chemistry, is awarded to a student in Chemistry in his fourth year who is a candidate for Part II of the Natural Sciences Tripos. The annual value is about £75.

A Lectorship in French, founded in 1904, is held by a French Graduate of a French University, who delivers lectures in his own language and holds conversation classes.

### TANCRED STUDENTSHIPS

There are also connected with the College :

FOUR STUDENTSHIPS in Physic, founded by Christopher Tancred, Esq., each of which has been of the annual value of about £90.

The candidate who is elected to one of these Studentships is obliged to enter at this College within a month from the time of election; or to remove hither, if he be a member of any other College.

These Students are required to take the degree of Bachelor of Medicine as soon as they are of sufficient standing for the same; and they may hold the Studentship for three years after their degree. Students therefore who are elected previous to admission at any College, can hold them eight years. The electors to these Studentships are the Master of Gonville and Caius College, the Master of Christ's College, the President of the College of Physicians, the Treasurer of Lincoln's Inn, the Master of the Charterhouse, and the Governors of Greenwich and Chelsea Hospitals. The Governors of the Trust hold their meetings at Lincoln's Inn, on the last Wednesday in May, and on the Wednesday after St Martin's Day<sup>1</sup>.

<sup>1</sup> Forms of petition and all information respecting the Tancred Studentships may be obtained from E. T. Gurdon, Esq., 28, Lincoln's Inn Fields London.

## HARROW SCHOLARSHIPS

TWO SCHOLARSHIPS, founded at Harrow School, A.D. 1830, by John Sayer, M.A., Barrister-at-Law, and formerly a Senior Fellow of the College, of the annual value of £60. The Scholars are elected by the Governors of the School and proceed to this College.

## EXAMINATIONS, ANNUAL PRIZES, &amp;c.

Candidates for Honours are examined annually in the subjects of the several Triposes. Scholarships are awarded, in case of sufficient merit, in connexion with each of these subjects; and prizes of £5 in books are given to every student who is placed in the First Class.

There are two Greek Testament Prizes independently of those which are given on the results of the annual Theological Examination.

Prizes of the value of £5 each are given annually for the best discussions of two questions, one of Pure, the other of Applied Mathematics; the competitors to be members of the College of not more than twelve terms standing.

Three Composition Prizes of £5 each are annually offered, one for Latin Prose Composition, one for Latin Verse Composition, and one for Greek Verse Composition; the candidates to be of not more than eight complete terms standing.

A prize of £5, open to members of the College of not more than twelve terms standing, is given annually for an Essay on some subject connected with English History or English Literature.

Two prizes of £5 each are given annually for Essays in French and German respectively;

A prize of £5 is given annually for Musical Composition; and

A prize of £5 is given annually for an Essay on some subject connected with Natural Sciences: open to members of the College of not more than twelve terms standing.

The George Ludorf Siddle Prize of £10 is given triennially for an Essay on some subject connected with the British Colonies.

A prize of £6 in books (the Frank Smart Prize) is awarded annually to the undergraduate who is most distinguished in the subject of Botany at the annual College Examination.

The Marke Wood Medal is given annually for proficiency in shooting.

A prize of £10 is given under certain conditions to a student who attains a high place in the Indian Civil Service Open Competitions. Prizes also of £10 each connected with the same competition are given under certain conditions for proficiency in (i) Arabic, (ii) Sanskrit, or (iii) Persian.

The Thruston Medal of the value of £10 (taking the place of the Thruston Prize) "shall be given triennially to that member of the College (being of not more than fifteen years' standing from the first day of the Michaelmas term of the Academical year in which he matriculated), who has published in the course of the preceding three years the best original investigation in Physiology, Pathology, or Practical Medicine." The remainder of the Thruston Fund, about £15 a year, may be given in the form of a grant or grants in aid of research in the subjects named. Application should be made to the Master. The Medal will be next awarded in 1920.

PLATE to the value of £10, the gift in 1774 of Dr Schuldham, is awarded each year to one judged worthy amongst the commencing Bachelors of Arts.

### ADMISSION

Candidates for admission are required to pass the Previous Examination, or some other Examination which exempts from the Previous Examination, and may further be required to pass a College Entrance Examination before they are accepted for admission. Scholars and Exhibitioners elect are, however, exempted from the Entrance Examination and also, at the discretion of the Master and Tutors, those who produce evidence of sufficient attainment. Applications for admission should be sent to the Senior Tutor.

## Trinity Hall

(FOUNDED 1350)

ARMS: originally those of the Founder, *sable a crescent ermine and an engrailed border silver*; but in 1575 Robert Cooke, Clarencieux King of Arms, granted to the College a revised shield of arms with a *plain border ermine* in place of the ancient *engrailed border silver*.

THIS College was founded by WILLIAM BATEMAN, BISHOP OF NORWICH, in the year 1350. The Founder's words are:

"*Volumus quod Collegium Scholarium supradictum vocetur Collegium Scholarium Sanctæ Trinitatis de Norvico, et quod Domus quam inhabitabit dictum Collegium nominetur Aula Sanctæ Trinitatis de Norvico.*"

The College was further incorporated by an Act of Parliament of the reign of Elizabeth under the name of "The College or Hall of the Holy Trinity in the University of Cambridge."

The Foundation was subsequently augmented by Simon Dalling, Bishop Nykke, Robert Goodknape, Dr Hewke, Dr Hervey, Dr Mowse, Horatio Goodbehere, Henry Latham, William Walton, Charles Thornton, and other benefactors.

The College continued to be governed by the Statutes of the Founder until the year 1860, when new Statutes were enacted.

These Statutes were repealed in 1882, and the College is now governed by Statutes framed under the authority of the Universities of Oxford and Cambridge Act, 1877.

### FELLOWSHIPS

There are eleven Foundation Fellowships. All the Fellows have the same stipends and privileges, and they and the Master constitute the Governing Body of the College. Fellowships are tenable for six years from the date of election. The holding of certain College offices or Professorship in the University prolongs the tenure of the Fellowships.

There is one Professorial Fellowship at this College.

## LAW STUDENTSHIPS

The study of the Law, for which this College was especially designed by the Founder, has been provided for by the establishment of Law Lectureships and at least three Law Studentships; the latter are tenable for three years, and are of the annual value of £50. They are to be given to graduates of the College in Arts or Law, who intend to prepare themselves for practice in some branch of the Legal Profession. The holders of these Studentships are not required to reside in the University

## SCHOLARSHIPS AND EXHIBITIONS

A fixed proportion of the divisible revenues of the College is annually to be paid over to the Scholarship Fund. The governing body is empowered to distribute this among the Scholars and Exhibitioners in the way it may think best, but any residue which remains at the end of one year must be applied subsequently to the purposes of the Fund, or in rewards and assistance to meritorious students.

The College Scholarships are tenable up to the time of taking the B.A. or LL.B. Degree. They are awarded according to the results of the various College Examinations in Classics, Mathematics, Law, History, and the subjects of other Tripos Examinations. Scholarships obtained at one Examination may be augmented on a subsequent occasion.

Entrance Scholarships, from £80 to £40 in value, are awarded according to the results of an Examination held in December. The subjects in this Examination are either Mathematics or Classics or Natural Science or History or Modern Languages or Engineering. Special Law Scholarships also are awarded at this Examination to candidates who reach the required standard in any of the above subjects and who undertake to read for the Law Tripos. A Wootton Isaacson Scholarship is offered from time to time to candidates in Modern Languages who undertake to read for the Modern and Mediaeval Languages Tripos, with Spanish or Portuguese as one of their subjects. Fuller particulars of this and of the other Scholarships may be obtained from the Tutor.

## ANNUAL PRIZES

A Prize of £15 was left in 1874 by Mr Jonas Cressingham, who was long a member of the College, to be offered annually for an English Essay. The subject is given out in the Lent Term. B.A.s of not more than one year's standing are allowed to compete for this Prize.

A Prize of £4 is offered in each term for proficiency in English Language and Literature. This Prize was founded by the pupils of the late Rev. H. Latham, for many years a Tutor and lately Master of the College.

Prizes of £3 and £5 are given to those who have distinguished themselves in the College, Inter-Collegiate, and University Examinations.

## Corpus Christi College

(FOUNDED 1352)

*ARMS: gules a pelican in her piety silver quartered with azure three silver lily flowers.* These were granted by Robert Cooke, Clarenceux King of Arms, in 1570, at the instance and cost of Archbishop Parker, in place of the arms of the Corpus Christi Gild and the Gild of Our Lady, which were at first used as arms by the College.

THIS College owes its foundation to two Societies which existed in Cambridge in the early part of the fourteenth century, called the Gilds of Corpus Christi and of the Blessed Virgin Mary. These Gilds having, about the year 1350, been united into one under the name of "Gilda preciosi Corporis Jesu Christi et gloriosæ Virginis Mariæ Matris suæ," obtained, through the intercession of Henry, Duke of Lancaster, the Alderman of the consolidated Gild, a license from King Edward III, dated Nov. 7, 1352, for founding a College to be called "Domus Scholarium Corporis Christi et Beatæ Mariæ Virginis."

The College, at the present time, consists of a Master and twelve Fellows, besides Scholars and other students.

The Fellowships are open to all persons who have been admitted to some degree in the University of Cambridge or of Oxford.

A Studentship, to be called the Almeric Paget Studentship, has been founded by Lord Queenborough for the study of Political Philosophy or Economics or other approved cognate subjects.

### SCHOLARSHIPS

The Foundation Scholarships at this College are :

(a) £80 Scholarships of the Old Foundation ; (b) £80 Entrance Scholarships.

(c) £60 of the Foundation (1770) of Dr Matthias Mawson, Bishop of Ely, and formerly Master of the College. These Scholarships are given at entrance.

(d) £60 of the Foundation (1594) of Roger Manners, third son of Thomas, first Earl of Rutland, and Esquire of the body to Queen Elizabeth. These Scholarships are given on the annual examinations.

(e) Of the Foundation (1693) of Dr John Spencer, Master of the College, and Dean of Ely.

(f) Of the Foundation (1577) of Sir Nicholas Bacon, Lord Keeper of the Great Seal.

(g) Of the Foundation (1903) of E. B. Cowell, Professor of Sanskrit, Fellow of the College.

(h) Of the Foundation (1914) of Dr R. T. Caldwell, Master of the College.

(i) Of the Foundation (1920) of Sir Perceval Laurence, Honorary Fellow of the College.

Four Entrance Scholarships of £80, two Mawson Scholarships of £60, and four Exhibitions of £40 are offered annually for competition for students who have not yet commenced residence. They are tenable until the end of the second year ; and may be extended.

The two Spencer Scholarships are bestowed on deserving students needing assistance, in their second or third year of residence. These Scholarships are in the gift of the Master. Their value is £20 a year each, with rooms.

## King's College

(FOUNDED 1441)

*ARMS: Sable three roses silver with a chief party of azure with a gold flower of the French and of gules with a gold leopard of England. These were granted by letters patent of Henry VI dated January 1, 1448—9. The College Seal, engraved in 1443, shews an earlier shield closely resembling the arms still used by Eton College.*

THIS College was founded and munificently endowed by KING HENRY VI for a Provost and seventy Scholars. Under the Founder's Statutes every vacancy had to be at once filled up by the admission of a Scholar from the sister foundation of King Henry VI at Eton.

By the Statutes of 1861 Open Scholarships were founded, and provision was made for the admission to the College of Undergraduates not on the foundation.

Under the present Statutes (of 1882), the foundation consists of a Provost, forty-six Fellows (exclusive of Honorary, Additional, and Supernumerary Fellows), and forty-eight Foundation Scholars. Four of the Fellowships are appropriated to Professors in the University; the remainder are open to all Graduate members of the College whose standing does not exceed seven years from the 25th of March next preceding the date of their commencing residence in the University, and to other persons who in the opinion of the Fellowship Electors are especially fit to be Fellows.

Twenty-four of the Foundation Scholarships are appropriated to Eton College, and twenty-four are open. Of the former, at least four are offered every year for competition as Entrance Scholarships, and two as Senior Scholarships. At least six Open Foundation Scholarships are offered every year, but the number to be offered as Entrance and Senior Scholarships respectively may vary from time to time. Entrance Scholarships are tenable for two years, and may be prolonged for a further period of two years. The holders of Entrance Scholarships as well as other members of the College are eligible to Senior Scholarships. A Senior Scholarship is tenable till the holder is of five years' standing from the 25th of March next preceding the date of his commencing residence in the University, and may be prolonged for a further period of two years. The emoluments

of a Foundation Scholarship are £80 a year, subject to a possible reduction in the case of a prolonged Senior Scholarship. An Eton Scholar may have in addition, under certain conditions, Tuition free and Rooms rent free, and the Council have power to allow Tuition free to the holder of an Open Senior Scholarship. A candidate for an Eton Scholarship may be elected to an Open Foundation Scholarship, and he is then entitled to tuition free and to rooms rent free until he takes his first degree. When this happens an Eton Scholarship is, for that turn, treated as an open one.

An Entrance Scholarship Examination is held annually in the Michaelmas term, upon the results of which, besides the Entrance Foundation Scholarships already mentioned, both Eton and open Minor Scholarships and Exhibitions\* are awarded. Exhibitions are also awarded upon the results of the Annual College Examinations. Some of the Exhibitions are reserved for candidates who stand in need of pecuniary assistance to enable them to obtain a University education.

An Entrance Scholarship of the value of at least £70 a year has been founded in memory of Laurence Saunders, M.A., formerly Scholar, who suffered in the Marian persecution; the present annual value is £80.

From the legacy of Dr Vintner, formerly Fellow, an Exhibition of £70 a year to be awarded for proficiency in Natural Science has been founded. Two Exhibitions have been established from the benefactions of Dr Price and other former members of the College. These Exhibitions are open to all Undergraduates of the College in their first or second year of residence.

Under the will of Mr T. A. Soley, certain Exhibitions of £70 a year for three years are offered to persons in need of such assistance, who are sons or grandsons of freemen of the Drapers' Company and are nominated by the Company, on condition that they attain in an examination held by the College the same standard as that required as a qualification for other Exhibitions in the College.

Under the will of Mrs Laura Mary Fielder the College received in 1908 a legacy of £3000, from which three Exhibitions have been founded, to be awarded for proficiency in Greek.

In 1911—12 a Studentship, called the Augustus Austen Leigh Studentship, was founded by Mr A. H. A. Morton, formerly Fellow, who endowed it by the gift of £4000 Consols. A Student is elected annually in June from among members of the College under M.A. standing, who have either taken or passed the examinations qualifying for the B.A. degree. The Student is required to undertake a course of study or research in one of the following subjects: Divinity, Classics, History, Classical or Medieval Archaeology, and Modern and Medieval Languages. This year awarded to A. Lubbock, B.A.

\* For particulars of the Entrance Scholarship Examination to be held in December 1920 application should be made to the Tutor.

In 1911 Mr S. B. Phillpotts, senior Fellow, gave £800 five per cent. stock to found an Exhibition for a son of a clergyman of the Church of England, in need of assistance, and receiving his education in the College. Failing suitable candidates satisfying these conditions, the Exhibition may be awarded to a chorister.

In 1912 Mr A. H. A. Morton, formerly Fellow, founded an Exhibition to be held by a student who intends to take Holy Orders.

In 1917 a Studentship, called the Reginald John Smith Studentship, was founded by Mrs Isabel Marion Smith in memory of her husband, Reginald John Smith, sometime Scholar, and endowed by her with a gift of £4000. The Studentship is awarded for the encouragement of study or research in any branch of learning or science, and is tenable for one year. A Student is elected annually in June from among all members of the College, not being Fellows, who have proceeded to the degree of B.A. and are not of standing for the degree of M.A., or who have passed an examination qualifying them for the degree of B.A. and are in their eighth term of residence at least, or who being Research Students are in their fifth term of residence at least. This year awarded to G. S. Adair, B.A.

In 1920 Mrs Longworth gave £1000 to found the Eustace Counsellor Longworth Fund, in memory of her son Eustace Counsellor Longworth, sometime pensioner. From the income of this fund grants are made to Classical students in the College to encourage the study of Classical Archaeology and Ancient Philosophy.

Examinations for Choral Scholarships are held from time to time, as vacancies occur. The examination is chiefly musical, but candidates are required to pass in elementary Classics and Mathematics. Choral Scholars are required to take part in the Choral Services in the Chapel. They must be candidates for a degree, but not necessarily for honours.

Applications for admissions to the College should be made to the Provost.

Undergraduates of the College are (with a few special exceptions) required to be candidates for honours.

Persons who enter the University as Research Students may be admitted with the same status as graduate members of the College.

Some peculiar privileges appertain to this College. The Provost has absolute authority within the precincts, and, by special composition between this Society and the University, its Undergraduates are exempt from the power of the Proctors and other University Officers within the limits of the College.

### ANNUAL PRIZES

Dr Cooke (formerly Provost) founded a prize of £6 which is given annually to an Undergraduate in his first year who has deserved well by application to his studies and general orderly behaviour. This year awarded to R. S. Nettleton.

Dr Glynn, in the year 1800, founded two prizes of £10 each, which are awarded annually to such two Undergraduates in their second year as have been most distinguished for learning and regularity of conduct. This year awarded to B. C. C. Olivier and D. H. Beves.

There are two £5 prizes for Declamations, founded in 1786, by T. James, D.D., formerly Fellow. This year a prize was awarded to R. H. S. Spicer.

Books to the value of £15 are given annually by the College for the best exercises in Greek and Latin Composition. This year prizes were awarded to R. H. S. Spicer for Latin Hexameters, B. C. C. Olivier and B. L. Hallward for Greek Iambics, E. J. Reid for Greek Elegiacs.

Two prizes of £5 each, founded by the late Mr John Heath, are given annually to the best readers of the Lessons in Chapel. This year awarded to D. H. Beves and P. Mayne.

Under the will of Mr J. M. Ward, formerly Fellow, the College received in 1908 a legacy of £200 to found a prize open to Eton Scholars for reading the lessons in Chapel. This year awarded to M. D. Gillies.

A prize, value £5, called the Pawley Divinity prize, is given for proficiency in the annual Divinity Examination.

There are two prizes, founded by George Richards, M.A., formerly Fellow, for Scholars in their third year, one of £30 for Divinity and Classics, and one for £20 for Mathematics, respect being had in both cases to good conduct. This year a prize was awarded to H. K. Luce for Divinity and Classics.

Martin Thackeray, M.A., formerly Fellow and Vice-Provost, bequeathed to the College, in 1862, the sum of £1000 to form a fund of which the income in each year is to be paid to the Scholar of the College educated on the foundation of Eton College who shall in the Examination of the year for the Degree of B.A. have taken the highest degree amongst the Wranglers in the Mathematical Tripos.

Sir G. W. G. Craufurd, M.A., formerly Fellow, gave £500, from the interest of which prizes are awarded on the results of the annual examination in Divinity.

Prizes in books, open to Undergraduates in their first or second year who have not obtained the Cooke or Glynn prizes, are awarded in June on the results of the College and Tripos examinations as follows:

## Queens' College

(FOUNDED 1448—RE-FOUNDED 1465)

ARMS:—those of Queen Margaret of Anjou: *quarterly*, 1. *Barry of eight pieces silver and gules* (Hungary), 2. *Old France with a label of three pieces gules* (Naples), 3. *Silver a cross potent and four smaller crosses of gold* (Jerusalem), 4. *Old France and a border gules* (Anjou), 5. *Azure sown with gold crosslets fitchy two golden barbels back to back* (Barr), 6. *gold a bend gules with three silver eagles on the bend*; with the addition of a *border vert*, granted to the College in 1575 by Robert Cooke, Clarenceux King of Arms. As many as five different shields have been borne by the College since its foundation.

THIS College was founded in 1448 by QUEEN MARGARET OF ANJOU, consort of Henry VI., and refounded in 1465 by ELIZABETH WIDVILLE, consort of Edward IV.

The Society consists of a President and eleven Foundation Fellows.

The Fellowships are tenable for six years from the day of election; but no Fellow can retain his Fellowship for more than one year after his institution to a College living, the net annual value of which exceeds £400.

A Fellow who holds a Professorship or the office of Public Orator in the University may hold his Fellowship so long as he continues to be Professor or Public Orator.

A Fellow who holds the office of Tutor or Lecturer holds his Fellowship so long as he holds such office.

A Fellow who holds the office of Tutor or Lecturer for more than twenty-five years, continues to hold his Fellowship for life, or if he hold one such office for more than seven but less than twenty-five years, he holds his Fellowship, after vacating office, for a period of time equal to that by which his tenure of office exceeded seven years.

### SCHOLARSHIPS, EXHIBITIONS, &c.

A fixed proportion of the revenues of the College is paid over to the Scholarship Fund. The Governing Body distributes this among the Scholars.

One-third of the Scholarship-stipend is paid at the end of each term of residence, up to and inclusive of the ninth term of residence.

An Examination will be held in combination with Peterhouse and Magdalene College on January 4, 1921, for five Scholarships and some Exhibitions. The candidates must not have commenced residence in the University, and those who are candidates for Scholarships must be under 19 years of age on the first day of the Examination, but there is no restriction respecting the age of Exhibitioners. For one of the Exhibitions the sons of clergy have a preference. They will be awarded for proficiency in Classics, Mathematics, Natural Sciences, History, and Hebrew or Greek Testament with Latin and Greek.

The Foundation Scholarships are awarded on the results of the various College Examinations held in the Easter Term.

In addition to the foregoing there are the following Exhibitions.

<sup>1</sup>Two *Sedgwick's Exhibitions*, value about £20 per annum (sons of poor Clergymen to be preferred).

<sup>1</sup>One *Clark's Exhibition*, £10 per annum.

<sup>2</sup>One *Sandys' Exhibition*, £10 per annum.

#### EXAMINATIONS AND ANNUAL PRIZES, &c.

At the close of the Easter Term there is an Examination of the Junior Sophs and Freshmen, in Mathematics, Classics, Natural Sciences, Theology, History, and other Honour subjects. Prize books of the value of one or two guineas are given to those students of the different years who pass the best examination in Honour subjects, provided they are thought deserving of such distinction.

The Rev. Thomas Penny White, M.A. formerly Fellow of the College, founded in 1842 a Prize of the value of £30. This, augmented by some accumulations, is given in the form of Bachelor Scholarships to commencing Bachelors of Arts, tenable for one year on condition of residence.

The Rev. D. Hughes, D.D. formerly Fellow and Vice-President of the College, founded an annual Prize of ten guineas, which is given to a resident Bachelor of Arts studying Divinity.

He also founded two Prizes of five guineas each, one for the best Latin, and the other for the best English Dissertation, by an Undergraduate who is not a Questionist.

In 1880 Mrs Mary King, widow of the late Joshua King, LL.D., President of the College, gave to the College £1000 Great Eastern Railway Debenture Stock bearing interest at £4 per cent. per annum, in order that a prize, to be called the Joshua King Prize, should be given annually in memory of her husband. This Prize is given in the form of Bachelor Scholarships to

# St Catharine's College

(FOUNDED 1473)

ARMS: *gules a Katharine wheel of gold.* At the Heralds' visitation of 1684 this was noted 'to have been auncientlie borne and used by the Master and Fellows of the said house.'

THIS College or Hall was founded by ROBERT WODELARKE, D.D., Chancellor of the University, and Provost of King's College, for a Master and three or more Fellows. The Foundation was afterwards enlarged by the benefactions of Mr William Basset, Mr Richard Nelson, Mr Robert Sympson, Mr John Chester, and others, but principally by the endowments of Mrs Mary Ramsden of Norton and Fockerby in the county of York. The late Rev. C. W. Burrell, M.A., also left a considerable sum for the enlargement of the ecclesiastical patronage of the College. In 1874, Mr Yorke, formerly Skerne Fellow, bequeathed a sum of money to the College.

The Statutes, confirmed by order of the Queen in Council May 3, 1882, provide that there should be a Master and six Fellows.

The proceeds of Mr Frankland's Foundation are now added to the general Scholarship Fund.

The College at present consists of a Master, six Fellows, and twenty-six Scholars.

The income of a fund of about £3000 in Consols is also available for the purpose of Scholarships and Exhibitions. From these funds Scholarships and Exhibitions, varying in value from £50 per annum to £20, are annually given after open competition or at the College Examination in June.

Mr A. Phillips, a former Fellow, gave a sum of £1000 to found

an Exhibition or Exhibitions in memory of his former Tutor the Rev. E. W. Crabtree.

The Rev. T. Jarrett, M.A., Regius Professor of Hebrew, left by will the sum of £1000 to found a Scholarship to be called by his name.

Besides these Scholarships, if there be a surplus, grants are made to deserving students of the College, if candidates for Honours in any Tripos.

All the Scholarships are open to candidates from any school or place of birth.

Bishop Sherlock founded the Librarianship, worth £20 per annum, with an allowance for rooms. He also considerably augmented the stipend of the Master's Sizar. The Bible Clerk receives his commons, with rooms rent free.

### ANNUAL PRIZES

A Prize, called the Corrie Prize, for the encouragement of the study of Theology, being the interest accruing from a sum of money subscribed by certain graduates of the College formerly pupils of the Rev. Professor Corrie, late President and Tutor.

A Prize for Reading in Chapel, being the interest on a sum of money given by Bishop G. F. Browne for that purpose.

There is annually an Examination of the Junior Sophs and Freshmen towards the end of the Easter Term, when Prizes in books are usually adjudged to the most proficient in each year.

## Jesus College

(FOUNDED 1496)

*ARMS: the arms of the Founder silver a fess sable and three cocks' heads razed sable combed and wattled gules with a border of the bishoprick of Ely (gules with ten crowns). They were granted by Robert Cooke, Clarencieux King of Arms, in 1575.*

THIS College was founded in 1496 by JOHN ALCOCK, BISHOP OF ELY. According to the Statutes of 1882 the College consists of a Master, sixteen Fellows and twenty Scholars at the least. Of the Fellowships one is a Professorial Fellowship; to one any person may be elected who is eminent for science or learning whether a member of the University or not; the remainder are open to graduates of Cambridge or Oxford. Fellowships are vacated after a tenure of six years at the most; but the years during which a Fellow has held any of the offices of Bursar, Dean, Tutor, Assistant Tutor, or Lecturer, provided he shall have served for five years, are not reckoned in the years of his tenure of a Fellowship. A Fellow who is appointed to a Professorship or Readership in the University holds his Fellowship as long as he holds a Professorship or Readership.

### FOUNDATION AND OTHER SCHOLARSHIPS

Under the present Statutes, in addition to the emoluments derived from various merged Foundations, ten per cent. of the annual income of the College is devoted to the maintenance of Foundation Scholarships. The Master and Fellows determine the proportions in which the Scholarship Fund is distributed among the Scholars. Scholarships may, by permission of the Master and Fellows, be retained until the end of the twelfth term from commencing residence, or, provided the Scholar continue to reside, until he is of standing to take the degree of M.A.

Of the Foundation Scholarships:

Three, known as Ley Scholarships, are provided by a bequest of Mrs Sarah Jones, in 1825, in memory of the Rev. Thomas Dummer Ley, formerly a member of the College;

One is of the foundation of Richard Sterne, D.D., Archbishop of York 1664—1683, and formerly Master of the College;

One is of the foundation of Henry Brunsell, LL.D., Prebendary of Ely 1660—1679;

One is of the foundation of Lady Jane Price, relict of Sir James Price.

There are also the following Scholarships:

Scholarships varying in number, and in value from £80 to £40, founded by Tobias Rustat, Esq., appropriated to the sons of clergymen of the Church of England, preference being given *ceteris paribus* to those who are orphans. The Scholars on this foundation are elected by the Master and Fellows in the same manner as Foundation Scholars.

One Scholarship of £13, founded by Dr Edmund Tew, appropriated in a similar manner to the Rustat Scholarships.

One Scholarship of £82, founded by the Rev. Robert Marsden, tenable by the son of a living clergyman of the Church of England.

One Scholarship of £32. 10s. or two of £16. 5s. each, founded by Dr Gatford, open to clergymen's orphans and tenable from the degree of B.A. to that of M.A.

One Scholarship of about £70, or two together of the same value, founded in memory of the Rev. J. S. Lillistone, formerly Fellow, tenable by sons of clergymen of the Church of England.

One Scholarship of £60 or two of £30, founded by the Rev. John Somerville, appropriated to students educated at Loughborough School.

Two or more Scholarships, founded in memory of Lady Kay. These Scholarships vary in value from £40 to £60, and are tenable for three years or any shorter period at the discretion of the Master and Fellows. The election is made at the beginning of the Michaelmas term in every year. These Scholarships are open to any student of the University who has obtained a first or second class in any Tripos and who declares his intention of seeking Holy Orders in the Church of England. Scholars, if not already members of Jesus College, must place their names on the Boards and become resident members of the College. They are required to study for the first or second part of the Theological Tripos or to apply themselves to such other Theological study as the electors approve.

One Exhibition of about £15, established in 1918 in memory of Lieutenant M. E. H. Schiff, B.A., for a student in History.

The Foundation Scholarships may be held with any other.

#### ENTRANCE SCHOLARSHIPS AND EXHIBITIONS

Scholarships and Exhibitions for proficiency in Classics, Mathematics, History, Natural Science, and Modern Languages are given by examination in December to Candidates who intend commencing residence in the following October. These may not exceed £80 in value, and Candidates must be under nineteen years of age on the first day of October next preceding the date of examination. Rustat Scholarships are also given by examination at the same time and under the same conditions.

## PRIZES AND REWARDS

There is an annual examination in the Easter Term, when Prizes of books are given to the best proficient in the several subjects of the Tripos Examinations.

Prizes of books, each of the value of £3. 3s., are given each year for the best Essay, viz. :

(a) the Sykes Prize, arising from a benefaction by John Sykes, clerk, in 1621, for an Essay on a subject of History or Literature;

(b) the Marshall Prize, arising from a benefaction by William Marshall in 1578, for an Essay on a subject of Classical History, Literature, or Antiquities.

A Prize of about £3 for the study of Theology, was established in 1887 by friends of Dr Corrie, formerly Master of the College.

The Rev. Frederick Keller, formerly Fellow, left £15 or thereabouts, to be given each year to one or more deserving scholars who take their B.A. degree in that year.

The Rev. Edward Otter, formerly Fellow, gave the dividend of one year's Fellowship, which, increased by the College, forms a Divinity and Hebrew Prize of about £16, open every two years to Bachelors.

The Eliot Prize, established in memory of John Eliot, 'Apostle to the Indians,' formerly a member of Jesus College, by his descendants and others in the United States of America, is open for competition in alternate years with the Otter Prize, its value and the conditions of examination being the same.

The Frank Allhusen Prize of about £25, for the promotion of study and research in Natural Science, especially in Chemistry and allied subjects, is offered at intervals of three years. Candidates must have taken honours in Part 1 or Part 2 of the Natural Science Tripos. The next award will be in 1923.

Two or more Brereton Prizes, established by R. P. Brereton, Esq., formerly scholar of the College, each of £5, are given each year for compositions in Latin Verse and Greek Verse.

The Rev. Dr H. A. Morgan, formerly Master, left by his will £100 to establish a prize for an English composition on a literary subject.

## Christ's College

(FOUNDED 1505)

ARMS: those of the Foundress, *France modern quartering England with a border gobony of silver and azure.*

THIS College (into which was merged an earlier College founded in 1439 by KING HENRY VI., under the name of "God's House," for a Master and three Fellows) was founded A.D. 1505, by the LADY MARGARET, COUNTESS OF RICHMOND AND DERBY, Mother of King Henry VII., for a Master, twelve Fellows, and forty-seven Scholars.

The Foundress thus dedicated her Foundation:

'Ad Honorem Christi Jesu, et Fidei ejus incrementum.'

King Edward VI. added one Fellowship and three Scholarships; and Sir John Finch and Sir Thomas Baines two Fellowships and two Scholarships. Various other Benefactors also added Scholarships.

The College now consists of a Master, fifteen Fellows, and about forty Scholars.

The Fellowships under the existing Statutes are divided into Senior and Junior Fellowships. The number of Senior Fellows must not exceed two-thirds nor be less than one-third of the whole number.

A Junior Fellow may be of any standing at the time of election. The tenure of a Junior Fellowship is for three years from the date of election, but it may be extended to six years.

In order to be elected to a Senior Fellowship it is necessary either (a) to hold one of certain specified offices in the College or University; or (b) to be engaged in other specified work under University sanction either at Cambridge or elsewhere; or (c) to be a person of known ability and learning engaged in research in any art or science.

A Senior Fellow who for twenty-five years has held one or other

of the qualifying offices or employments may retain his Fellowship for life without further obligation to service.

The Scholarships are maintained either from the Scholars Fund or from the separate Trust Funds.

I. The SCHOLARS FUND receives annually one-fifth of the divisible income of the College.

Out of it are supported :

(1) a varying number of Scholars (not less than twelve) named after the Foundress the Lady Margaret's Scholars; whose stipends may vary (generally between £40 and £80 a year) at the discretion of the Master and Fellows :

(2) three Scholars named after King Edward VI. :

(3) two Scholars named after Sir John Finch and Sir Thomas Baines.

Out of this Fund the Master and Fellows may establish Exhibitions, and grant gratuities to deserving Scholars and Exhibitioners. They may also establish Bachelor Scholarships free from the ordinary conditions of residence.

II. The TRUST FUNDS provide generally :

- |                                                 |  |
|-------------------------------------------------|--|
| (1) three Scholarships, called after Mr Bunting |  |
| (2) one Scholarship ... .. Dr Widdrington       |  |
| (3) one Scholarship ... .. Bp. Seth Ward        |  |
| (4) two Scholarships ... .. Lady Drury          |  |
| (5) one Scholarship ... .. Mr Broadbanke        |  |
| (6) two Scholarships ... .. Mr Tancred          |  |
| (7) one Scholarship ... .. Archdeacon Clarke    |  |
| (8) one Scholarship ... .. Mr Rysley            |  |

There may however be more or fewer Scholarships on any of the above foundations, according to the available funds.

Besides these Scholarships, there are the following Exhibitions :

- |                                                                                                    |                               |
|----------------------------------------------------------------------------------------------------|-------------------------------|
| Two, named after Mr Carr, with preference to Giggleswick School.                                   | } in value<br>£50 a year each |
| Two, named after Mr Wilson, with preference to Kirkby Lonsdale School.                             | } in value<br>£30 a year each |
| One, named after Mr W. Petyt, and Mr Sylvester Petyt, with preference to Skipton School.           | } in value<br>£20 a year      |
| One, named after Bp. Otway, with preference (1) to Kirkby Lonsdale School, (2) to Sedbergh School. | } in value<br>£30 a year      |

In the case of each of these Exhibitions, a candidate from a preferred School must have been educated there for two years at the least in the two years and a half immediately preceding the election.

Also, at any Examination, in the event of there being no properly qualified candidate from a preferred School for an Exhibition, it will for that turn be considered open; and a student gaining by open competition any of the foregoing Exhibitions except the last will be regarded as a Scholar of the College.

Students of the College are elected to Scholarships and Exhibitions after the annual Tripos and Intercollegiate Examinations.

A student may be a candidate for a Scholarship in each year of his undergraduate residence. He may also (if the holder of a Scholarship or Entrance Scholarship) be promoted to another of larger value.

There is in each year an election to Entrance Scholarships of students under nineteen years of age who intend to commence residence in the following October. Entrance Scholars are elected for proficiency in Mathematics, Classics, Natural Sciences, Modern Languages, or History, or any two of these branches of study. These Scholarships, the maximum value of which is £80 a year, are tenable for not more than two years certain, but the holder may be elected to a Foundation Scholarship.

A student may hold a Scholarship or Exhibition until he is of standing to take the Degree of Bachelor of Arts; and, in case of special merit, the Master and Fellows may allow him, provided he continue to reside, to retain the same until he is of standing to take the Degree of Master of Arts, but no longer. A Bachelor of Arts may also be elected to a Bachelor Scholarship; in which case he may be exempted from the ordinary condition of residence.

Besides the above, there are other Exhibitions founded by Mr Jenens, Dr Hawford, formerly Master of the College, Sir Walter Mildmay, Mr Rawlins, Mr Harvey, Mr Laughton, formerly Fellow, Dr Plume, and Mrs Berridge, respectively. These, amounting in the aggregate to between £50 and £70 a year, are perfectly open, and are annually distributed amongst the most deserving students of the College who need pecuniary assistance.

Christopher Tancred, of Whixley Hall in the County of York, Esq., founded four Divinity Studentships (increased to five or more when the annual income will permit), for students to be educated at this College, to which the Governors and Trustees of his Charities, viz., The Masters of Christ's College and Gonville and Caius College, The President of the Royal College of Physicians, The Treasurer of Lincoln's Inn, The Master of the Charterhouse, The Governors of the Royal Hospital of Chelsea and of the Royal Hospital of Greenwich, are the Electors.

A student, when elected to the Charity, must have attained the age of 16 years, and be under that of 22 years.

He is required to be admitted of this College within one month after his election; to reside three-fourths of each Academical Term, so long as he holds his Studentship; to pass the University Previous Examination at the proper time; and to proceed to the Degree of Bachelor of Arts, so soon as he is of proper standing.

He may hold his Studentship for three years after the Degree of Bachelor of Arts, but no longer\*.

The annual income of each Student is not less than £50 and not more than £100. The present Students are R. A Bontoft, S. H. Childs, A. M. Stibbs, and E. H. Wilson.

### ANNUAL PRIZES

Prizes of books of the value of three guineas are given to the best proficient in the subjects of the various Triposes in their respective years. A Prize of books of the value of two guineas may also be given to the second in each year.

## St John's College

(FOUNDED 1511)

ARMS: those of the Foundress, *France modern quartering England with a border gobony of silver and azure.*

THIS College, dedicated in honour of St John the Evangelist, was founded by the LADY MARGARET, COUNTESS OF RICHMOND AND DERBY, mother of King Henry VII and Foundress of Christ's College. It succeeded the hospital of St John, founded about 1135, from which Hugh Balsham, Bishop of Ely, removed his scholars to Peterhouse in 1284. Owing to the death of the Foundress before the completion of her designs, much difficulty was experienced in establishing the College on as large a scale as was originally intended. It was mainly owing to the exertions and beneficence of John Fisher, Bishop of Rochester, executor of the Foundress, and Chancellor of the University, that sufficient funds were obtained to endow thirty-two Fellowships, of which he founded four, and twenty-four Scholarships, of which he founded two. There were numerous subsequent endowments for Scholarships. Nineteen additional Fellowships were founded in the reign of Henry VIII. Of these two were founded by Rev. James Beresford, one by Sir Marmaduke Constable, one by Mr Halitreholme, one by Lady Jane Rokeby, one by Mr John Bayley, two by Rev. Edward Gregson, one by Rev. Robert Symson, two by Rev. Dr John Keyton, one by Rev. Dr William Fell, one by Dr Thomas Thimbleby, two by Rev. Dr Roger Lupton, four by Archdeacon Hugh Ashton. In 1589 one was founded by a bequest from Mr Henry Hebblethwaite: in 1673 one by a bequest from Dr Francis Dee, Bishop of Peterborough. Endowments to found Fellowships were bequeathed in 1632 by Mr William Platt, and an endowment for one Fellowship in 1833 by Rev. James Webster.

Dr Thomas Linacre founded in 1526 a Lectureship in Physic.

New Statutes were approved by the Queen in Council, May 3, 1882.

The Foundation of the College consists of a Master and fifty-six Fellows, sixty Scholars, and nine Sizars called Proper Sizars.

The Governing Body is a Council consisting of the Master, and twelve Fellows, of at least three years' standing from their first degree, elected by the Master and Fellows.

The MASTER must be a Master of Arts or of some equal or superior degree of Cambridge or of Oxford, and not less than thirty years of age. He is elected by the Fellows who are of at least three years' standing from their first degree.

The FELLOWS are elected from graduates of the College or graduates of Cambridge or of Oxford. The annual election takes place on the Monday after All Saints' Day, and vacancies must be filled up not later than the second annual election after they occur. Fellows must proceed to the degree of Master of Arts, Master of Law, Master of Surgery, or Doctor of Medicine, as soon as they are of sufficient standing. Fellowships are tenable in the first instance for three years, but the tenure may be renewed for a further period of three years, provided that no Fellow may be of more than ten years standing from his first degree: but a Fellow, so long as he holds one or another of certain offices in the University or in the College, does not vacate by lapse of time; and a Fellow who has served for twenty years in one or another of certain offices in the College, may under provisions specified hold his Fellowship for life. The Council may extend the tenure of a Fellow for periods of five years. They may also elect persons eminent for science or learning, such Fellows not to vacate by lapse of time; and may elect Professors or Readers of the University, their tenure to terminate with that of their office of Professor or Reader. Five Fellowships are Professorial Fellowships, to be held by Professors of the University under the conditions prescribed by the Statutes of the University. Any Fellow not a Professorial Fellow may with the consent of the Council become a Supernumerary Fellow. The Council may also elect Honorary Fellows.

The FOUNDATION SCHOLARS are elected from students of the College, or from such other persons and of such standing as the Council may think fit. The annual election takes place in June, and all vacancies must be filled up not later than the second annual election after they occur. Scholars, if not graduates, must proceed to some degree at the regular time. The Scholarships are of the annual value of not less than £40, and not more than £100 each. Their tenure is contingent upon residence, good conduct, and application to study. It may be prolonged by the Council, if they think fit, until the Scholar is of standing to incept in Arts, or for any shorter period.

The nine PROPER SIZARS, on Dr Dowman's Foundation 1525, are elected in June. The value of each Sizarship is £30 a year for three years, or until the holder is elected to a Foundation Scholarship.

By gift from Dr James Wood, Master of the College 1815—1839, the sum of £360 is assigned annually in Exhibitions to the most deserving students, to be called Wood's Exhibitioners, account being taken of their pecuniary circumstances as well as of their moral and intellectual qualifications.

Under the like conditions the yearly produce of the Rectory of Cherry Marham in the county of Norfolk (about £400), the gift

in 1623 of Sir Ralph Hare, is assigned to the most deserving students, to be called Hare's Exhibitioners.

A Hughes Exhibition of the value of £35 (founded by the Rev. Charles Colson in 1886 in memory of the Rev. Henry Hunter Hughes, B.D., formerly Fellow and Tutor) is awarded annually for proficiency in Biblical and Ecclesiastical History. Any undergraduate member of the College who has not already held the Exhibition may be a candidate. The Examination takes place at the time of the Annual College Examination in Theology.

Miss Mary Ann Hoare, who died in November 1910, bequeathed to the College certain stocks producing an income of about £14, for the purpose of founding two "Thomas Hoare Exhibitions." These are awarded for proficiency in Mathematics to two undergraduates of limited means, between whom the income is divided in such proportion as the Council of the College may direct. The Exhibitions are tenable until B.A. standing.

The Rev. Thomas Naden, by will of 1712, left a foundation for two Divinity Studentships. By the present Statute the Council has the power of determining the number of Students, the tenure of each Student (not exceeding three years) and his emolument. The Studentships are open to B.A.s not of standing for the degree of M.A.; they are tenable with a Scholarship, but not with a Fellowship. The Students are required to reside.

Mrs Ann Fry's Hebrew Scholarship, founded in 1860, of the annual value of about £32, tenable for three years from election, is open to B.A.s not Inceptors in Arts, nor of standing for the degree of M.A. In default of qualified B.A.s of the College, it is open to other B.A.s of the University. It is not held with a Fellowship.

Rogerson Hebrew Scholarships will shortly be established. The income of the Fund available for this purpose is from £90 to £100 per annum.

Several Law Studentships, founded by James MacMahon, Esq., and dating from an Indenture of 1864, each of the annual value of £150, and tenable for four years from election, but not with a Scholarship or with a Fellowship, are open to B.A.s or LL.B.s of the College not of standing for the degree of M.A. or LL.M., who shall *bonâ fide* intend to prepare themselves for practice in the profession of the Law.

The Rev. John Robinson Hutchinson, by will of 1873, left £4000, to be applied in the encouragement of Physical or Natural Science, or in promoting the study of the Semitic or Indian languages. Two Studentships, now of the annual value of £50 for two years, were accordingly founded in 1884. They are tenable with Scholarships and are open to students of the College, engaged in any of the above studies, who are of not less than nine and not more than eighteen terms standing.

One Slater Research Studentship, of about £75 for advanced

study and research in some branch of Physical or Natural Science, either in Cambridge, or with the permission of the College Council in the Laboratory attached to a medical school, or elsewhere. The Studentship is tenable with a Scholarship or Exhibition and is open to those who have passed the examinations for the B.A. Degree, or have been admitted to the degree of Bachelor of Arts but are not of sufficient standing to incept in Arts. If no candidate of sufficient merit is found in the College, the Council may elect a sufficiently qualified member of another College in Cambridge. The Studentship is awarded in alternate years, and is tenable for one year. The first election was in June, 1912.

It is proposed shortly to apply part of a bequest made to the College under the will of the late Lord Strathcona and Mount Royal to the establishment of Strathcona Studentships for the encouragement of advanced study and research.

#### ENTRANCE SCHOLARSHIPS, EXHIBITIONS, &c.

FOUNDATION SCHOLARSHIPS and MINOR SCHOLARSHIPS are annually awarded in December by competition among persons who have not commenced residence. They range in value from £80 to £40 per annum and are tenable for two years at least. Certain Exhibitions of the value of £30 a year for two years at least are competed for at the same Examination. Candidates for the Scholarships or Exhibitions must be under 19 years of age. Candidates may offer themselves for examination in any one or two of the following subjects: Classics, Mathematics, Natural Sciences, History, Modern Languages, or Hebrew.

Proper Sizars are chosen by an Examination in June in each year. Candidates may be elected for proficiency in (1) Classics or (2) Mathematics or (3) Natural Sciences, or for any two of these three subjects, provided that they shew a sufficient knowledge of the pass subjects of the Previous Examination in Mathematics and Classics respectively. Open Exhibitions of the value of £80, £60, and £50 per annum, tenable for two years at least, are also awarded by the above Examination.

Two Open Exhibitions of the value of £30 per annum for two years are offered on the result of the Cambridge Local Examination (Higher School Certificate) to candidates who reach a sufficiently high degree of merit in one of the Groups of the Examination.

Choral Studentships now each of the value of £50 were founded in 1888. The Students take part in the Musical Services in the Chapel. Vacancies are filled up annually in April or May.

Exhibitions attached by preference to certain Schools are:

Four, £40 per annum each, tenable for three years, on Dr Dowman's Foundation 1525, for scholars from Pocklington School.

Three, £66. 13s. 4d. per annum each, tenable for three years, on

Dr Lupton's Foundation 1528 and 1536, and Mr Hebblethwaite's 1589, for scholars from Sedbergh School.

One, £17. 10s. per annum, tenable for four years, on Mr Aston's Foundation 1577, for a scholar from Shrewsbury School elected at Shrewsbury.

One, £20 per annum, tenable till B.A. standing, by gift 1581 from Lord Burghley, for a scholar from Stamford School nominated by the Marquess of Exeter<sup>1</sup>.

One, £10 per annum, tenable till B.A. standing, by gift 1581 from Lord Burghley, for a scholar from Westminster School, or from Hoddesden School, nominated by the Marquess of Salisbury<sup>1</sup>.

One, £18 per annum, tenable for three years, on the Spalding and Symonds Foundations, for a scholar from Bury St Edmunds School.

Four, about £20 per annum each, tenable for four years, founded 1625 by Archdeacon Johnson, for scholars from Oakham School, or from Uppingham School.

One, £30 per annum, tenable for four years, on Mr Munstevens' Foundation 1640, for scholars from Peterborough School, or, in default of suitable candidates from Peterborough, from Oundle School.

Three, £40 per annum each, tenable for four years, on the Duchess of Somerset's Foundation 1682, for scholars from Hereford School.

Two, £50 per annum each, tenable for three years, on the Duchess of Somerset's Foundation 1697, for scholars from Hereford School.

Two, £50 per annum each, tenable for three years, on the same Foundation, for scholars from Manchester School.

Two, £50 per annum each, tenable for three years, on the same Foundation, for scholars from Marlborough School.

Three, £30 per annum each, tenable for four years, on Mr Baker's Foundation 1710, for scholars from Durham School.

One, £20 per annum, tenable for four years, on Mr Robins' Foundation 1721, for a scholar from Sutton Valence School.

One, £40 per annum, tenable for three years, on Dr Newcome's Foundation 1765, for a scholar from Grantham School.

Two, about £48 per annum each, tenable for four years, founded 1841 by Mr Vidal, for scholars from Exeter School elected by *ex officio* Electors.

By Stat. 56, in the case of a vacancy of an Exhibition which is limited by way of preference to candidates from any School, and to which the College elects, the Council is empowered, if no candidate of sufficient merit from such School shall offer himself, to pay the income of the Exhibition to the Open Exhibition Fund.

<sup>1</sup> A Sermon, in which the gift of Lord Burghley is to be declared, is preached annually by a member of the College at Hatfield on the second Sunday after Michaelmas Day, and at St Martin's, Stamford, on the Sunday after St Luke's Day. The Preacher presents copies of Latin or Greek Verses written by Scholars.

## ANNUAL PRIZES

A Prize of books to the value of £7, founded by bequest of Dr John Newcome, Master of the College 1735—1765, is awarded in June on the recommendation of the Director of Moral Science Studies, to the member of the College who has most distinguished himself in the immediately preceding Moral Sciences Tripos.

A Prize of books to the value of about £13 was founded in 1883 by the representatives of Charles Hockin, M.A., formerly Fellow, to be called the Hockin Prize, and to be awarded annually or periodically for some branch of Physics, with preference to Electricity. This is awarded in June to the member of the College who has most distinguished himself in the above subject.

The Adams Memorial Prize, founded in 1901 in memory of Professor John Couch Adams, consists of a prize of £4. 4s. in money, together with a copy of the *Collected Works* of the Astronomer, and is awarded annually in the Michaelmas Term for the best Essay on one of certain prescribed Mathematical subjects. It is open to undergraduates of the College who have not entered on their seventh term of residence at the time when the essays are sent in.

A Prize of books of the value of £3. 3s. in each of the three years is awarded to the writer of the best English Essay on a prescribed subject.

Prizes of books of the value of £1. 11s. 6d. are awarded to those who distinguish themselves in the College or Tripos Examinations, and to Research Students who obtain a Certificate of Research.

From a bequest by Mr William Wright in 1815, a Prize of books of the value of £3. 3s. is awarded in each of the three years to the student who is first in each subject of study recognised in the annual College or Tripos Examinations, if in the opinion of the College Council he is deserving of such a distinction; this to be in lieu of and not in addition to a College Prize.

Prizes of books were founded in 1876 by the Rev. Henry Hunter Hughes, B.D., formerly Fellow and Tutor. These are of the value of £14 and are awarded one to each of the two students of the third year who have acquitted themselves best in the Examinations, all branches of study being taken into account. A Hughes Prize is not tenable with a Wright's or College Prize.

The Rev. William Wilson, B.D., formerly Fellow, founded in 1817 prizes of books of the value of £4. 10s. for the best readers of the Lessons in Chapel, whose general good conduct entitles them to the approbation of the College.

The Byramji Navroji Cama Prize consisting of books of the

value of £10. 10s. was founded in 1903. It is awarded annually to that student of the College who, having passed one of the Honours Examinations of the University and spent his year of probation at Cambridge, stands highest in the list of Selected Candidates on the combined results of the two examinations for the Indian Civil Service, provided he is not below the 25th place in the combined examination.

From a bequest by Mr S. Hawksley Burbury in 1913, a Prize of books to the value of £3. 3s. is awarded to the writer of the best exercise in Greek or Latin Verse.

The value of Scholarships, Exhibitions, and other emoluments, tenable by persons *in statu pupillari*, is about £6700 per annum.

The annual Commemoration of Benefactors is held on the sixth day of May.

### ADMISSION

For every student desiring admission there must be sent to the Master:— (i) A certificate of *Birth*. (ii) A certificate of *Character*, extending down to the time of the application. (iii) The *Caution Money*, which is a deposit of £15, the *University Matriculation Fee* of £5, and the *College Admission Fee* of £2. 3s.: amounting in all to £22. 3s. (iv) Evidence of *Attainments*. This may be provided by passing a College Entrance Examination in Classics and Mathematics (in January, April, August or October), or by producing a certificate from some public Examining Body recognized by the College authorities. A Special Exemption Certificate may be obtained by students who have been at a school or college within the preceding two years, from their Head Master or House Master. The form may be obtained by application to the Master, or one of the Tutors.

(FOUNDED 1542)

*A Copy of the Statutes in the British Museum*

MSS. SLOANE, No. 3644—10.

ARMS: those of the Founder, to whom they were granted in 1538, *Quarterly party indented gold and azure a bend azure and two eagles gold with a fret and two martlets of gold upon the bend.*

THE Mastership of this College is in the gift of the possessor of the estate at Audley End.

In this College, originally a Hostel for students from certain Benedictine Monasteries, then established by HENRY STAFFORD, DUKE OF BUCKINGHAM, as "Buckingham College," and finally founded by THOMAS, BARON AUDLEY OF WALDEN, it is declared by the new Statutes, that after the expiration of interests regulated by the previously existing Statutes, there shall be seven Fellowships on the Foundation of the College, the conditions of tenure being specified in the new Statutes.

Four of these Fellowships are denominated Founder's Fellowships, and the remaining three are denominated respectively the Spendluffe and Wray, Drury, and Millington Fellowships, in commemoration of the benefactions made to the College by Mr Spendluffe, Sir Christopher Wray, the Rev. Drue Drury, and Dr Millington.

It is also declared by the new Statutes that (excepting those Scholarships and Exhibitions, the right of preference to which is preserved by Act 19 & 20 Vict. c. 88, to particular Schools) all restrictions shall be entirely removed, and the total amount of such Scholarships and Exhibitions shall form a General Fund for open Scholarships. This fund is derived from benefactions made to the College by Dr Peckard, Mr Smith, the Countess of Warwick, Lady Anne Wray, Mr Dennis, Mr Hughes, Mr Roberts, Dr Duport, Mr Groom, and Mrs Margaret Dongworth; and is augmented from the revenue accruing to the College by the abolition of certain Bye-Fellowships. The value of such Scholarships and Exhibitions

varies from £40 to £80 a year, and the number offered for competition each year depends on the condition of the fund at the time.

Where the right of preference to a Scholarship or Exhibition is preserved to a particular School or to particular Schools by Act 19 & 20 Vict., such right of preference shall be limited to persons who have been educated at least two years at such School or Schools; and in case of a vacancy in such Scholarship or Exhibition, for which no candidate of sufficient merit coming from such School or Schools shall offer himself, it shall be competent for the Master and Fellows to throw the same open to general or extended competition as they think advisable.

There are four Milner Scholarships of £55 a year each, with a preference to Scholars from Leeds, Halifax, and Heversham Schools.

There are four Holmes Exhibitions of £70 a year each, for Scholars from Wisbech School, three of them tenable at Magdalene College only.

An Exhibition of £30 a year derived from a bequest made by the late Mr William Walton, Honorary Fellow of the College, is awarded for proficiency in Mathematics.

An Exhibition of £30 a year derived from a bequest made by the late Lord Braybrooke, Master of the College, is awarded for proficiency in Modern (and especially English) History.

There is an Exhibition Fund of about £50 a year for providing Exhibitions in Natural Sciences, derived from a bequest made by the late Major William Henry Charlesworth.

Two or more Sizarships of £30 a year and Subsizarships of £15 a year, open to candidates not yet in residence, are in the gift of the Master or the Tutor.

The Pepysian Benefaction is in the Master's gift, and is annually bestowed by him upon poor and deserving students.

The Mynors Bright Benefaction is given annually by the Governing Body to some deserving student or students.

The Francis Pattrick Benefaction is given annually by the Governing Body to some deserving student or students.

#### DONALDSON BYE-FELLOWSHIP FOR RESEARCH

The Donaldson Bye-Fellowship for the encouragement of research is of the annual value of £100. It is tenable for one year and the holder of it may not be re-elected more than once. Preference is given to graduates who are below the standing of M.A. and to members of Magdalene College. The Governing Body have power to suspend the election to the Bye-Fellowship in any year in which there appears to be no suitable candidate.

## CHARLES KINGSLEY LECTURESHIP

The Charles Kingsley Lectureship is of the annual value of £150. It is tenable for one year and the holder of it may be re-elected. The duties of the Lecturer are to supervise the work of College Students in Natural Sciences, and to pursue some branch of scientific research.

## CHARLES KINGSLEY BYE-FELLOWSHIP

The election to the Charles Kingsley Bye-Fellowship is annual, and the holder is eligible for re-election.

It is contemplated that as a rule the Bye-Fellowship shall be associated with the Charles Kingsley Lectureship in Natural Sciences; but if the Lecturer shall be or becomes a Fellow of the College he shall vacate the Bye-Fellowship, which can then be used as a Bye-Fellowship for research in Natural Science.

The annual value of this Bye-Fellowship is £50.

## ANNUAL PRIZES

A prize consisting of the income derived from £100 given to the College for this purpose by Mr W. A. Gill, late Fellow, is awarded for proficiency in the annual Classical Examination.

A prize consisting of the income derived from £150 given by the family of the late Professor Newton to found an "Alfred Newton Essay Prize" is awarded for the best English essay.

A prize of £3 founded by Mr C. S. Davison is awarded annually for Latin verses on some subject connected with Buckingham College.

A prize of £3 founded by Mr C. S. Davison is awarded annually for Greek Verses.

A prize of £3 founded by Mr C. S. Davison is awarded annually for Mathematics on the result of the second year Intercollegiate examination.

Books to the amount of £2. 12s. 6d. are given to students who acquit themselves well in one of the annual examinations.

Two Prizes (of £2 and £1 in books) are given by the Master to the two best readers in chapel.

The sum of about £50 a year derived from a bequest made by the late Dr S. A. Donaldson, Master of the College, is available for the assistance of poor and deserving students, with a preference for candidates for Holy Orders.

## Trinity College

(FOUNDED 1546)

ARMS: *silver a cheveron gules and three red roses and a chief gules with a gold leopard and two gold books upon the chief.* The earliest authority for them is dated 1572, but they may have been granted at or shortly after the foundation of the College.

THIS noble and magnificent College, the Mastership of which is in the appointment of the Crown, was formed by the consolidation and extension of the earlier foundations (1) of Michaelhouse, founded in 1324 by HERVEY OF STANTON, Chancellor of the Exchequer in the reign of Edward II, and (2) of King's Hall, founded in 1337 by EDWARD III, in pursuance of an uncompleted plan of his father.

HENRY VIII took these into his own hands, and from the revenues of the above Societies, very largely increased by himself, he founded in 1546 one spacious College, for the maintenance of a Master and sixty Fellows and Scholars, dedicating it to the Holy and Undivided Trinity. QUEEN MARY afterwards added twenty Scholarships, and through subsequent benefactions the foundation now consists of a Master, sixty Fellows (at the least), eighty Scholars (at the least), the Chaplains, the Librarian, and the three Regius Professors of Divinity, Hebrew, and Greek respectively.

In addition to the Fellowships mentioned above, there are certain Ely Fellowships on the Foundation of A. W. G. Allen, of which four have up to the present been founded.

The government of the College is vested in the Master and Fellows and in a Council, consisting ordinarily of the Master, four other *ex-officio* Members, and eight elective Members in virtue of the Statutes made in accordance with the provisions of the "Universities of Oxford and Cambridge Act, 1877," and approved by Her Majesty in Council, May 3, 1882.

### FELLOWSHIPS

The FELLOWS of this Society are elected from members of the College or other Members of the University if the Council think fit. Candidates must have been admitted to the title of

Bachelor Designate in Arts or to some equal title and are eligible at each of the three annual elections next after the end of three years and six months<sup>1</sup> after the beginning of the term in which they commenced residence; there is no appropriation whatsoever. Fellows so elected vacate their Fellowships after six years from election, except in the case of those who hold the more important University or College offices, or have held any such office for at least twenty-five years. The College has also the power of electing to a Fellowship any Professor or Reader of the University or holder of certain College offices or any person eminent for science or learning, and can elect to an Honorary Fellowship any person distinguished by literary or scientific merits.

### SCHOLARSHIPS, EXHIBITIONS, &c.

SCHOLARSHIPS<sup>2</sup> are open to all Undergraduates of the College (except Research Students) who are not of standing to take the B.A. Degree, and to persons who are not yet resident members of the University, provided that these last are under nineteen years of age. Senior Scholarships are generally tenable until the expiration of five years and six months after beginning residence. Their annual value is for a resident Undergraduate £100, and for a resident B.A. £80. Entrance Scholarships awarded before beginning residence are of the value of £80 or of £60 a year during residence, and are tenable for two years only, unless the tenure be prolonged by the Council, or the Scholar be elected to a Senior Scholarship after beginning residence. Of the Entrance Scholarships (about fourteen) awarded in each year, at least three will be awarded with special reference to the pecuniary circumstances as well as to the other qualifications of the candidates receiving them. In the case of these three, or more, Scholarships the annual value of each is augmented by a remission of fees to a total of £100. The Examination for Senior Scholarships is held in each year in March, and an Examination for Entrance Scholarships early in December. Entrance Scholarships are open only to persons under nineteen years of age.

EXHIBITIONS. Besides the Entrance Scholars, Exhibitioners are chosen every year at the Examination in December from among persons who have not begun residence in the University. It is usual to award about ten Exhibitions of the value of £40 a year. Candidates above nineteen years of age who reach approximately the standard necessary for the award of a Scholarship may be awarded Exhibitions, worth with allowances, a total of £100 a year. Exhibitions are tenable for two years from the beginning of residence and may be prolonged beyond that period.

<sup>1</sup> Or in the case of Students from Affiliated Colleges two years and six months, and in the case of Research Students one year and six months.

<sup>2</sup> Scholarships, and Open Exhibitions are obtainable by proficiency in Classics, Mathematics, Natural Sciences, Moral Sciences, History, or

other subjects of which notice is given from time to time. Exhibitions are obtainable by Undergraduates of the College also for proficiency in Theology, Law, Mechanical Sciences (Engineering), Oriental Languages, or Modern Languages.

They are not tenable with a Senior Scholarship. No emoluments are paid until residence in the University has been begun.

Exhibitions usually of the value of £40 a year are also awarded on the results of the Scholarship Examination in March and of the Annual College Examination.

About 20 Sizars are admitted every year. The value of a Sizarship is about £45 a year<sup>1</sup>. A Sizarship is tenable with an Exhibition or an Entrance Scholarship but not with a Senior Scholarship.

Three Exhibitions at present of the value of £50 a year are paid out of the trust created by ROGER JESTON in 1623. They are tenable by poor students of the College with a preference for those students who are lineal descendants of members of the Haberdashers' Company or Staffordshire men, and are studying or are proposing to study Divinity. Subject to this preference, they are tenable by students of the College who have been admitted to the title of Bachelor designate or are qualified to be so admitted (provided that nine complete terms have elapsed since they commenced residence) and who intend to reside for another year with a view to pursue some approved line of study. The Exhibitions are tenable for one year only, but in exceptional cases an Exhibitioner may be recommended for re-election for a second year. The Exhibitions are awarded in June.

An Exhibition of the value of about £40 per annum, called the LEES KNOWLES EXHIBITION, was founded in 1906 by Sir Lees Knowles, Bart., M.A. It is awarded to a student of the College who has kept nine terms by residence, and intends to reside for an additional year, to pursue some approved line of study. A student born in the County of Lancaster is preferred to others, in case of equality. The Exhibition is tenable for one year only, and is awarded by the Council in June.

Another, known as the PETER LEIGH Exhibition, of a value not exceeding £50 is also awarded by the Council in June to a student who desires to reside for a fourth year for the purpose of study. Two others, the POTTS Exhibition of about £33 and the WOODWARD OF BITTON and PAST SCHOLAR'S Exhibition of about £30 are also awarded in each year under similar conditions.

The following Exhibitions are appropriated to special schools or persons :

(i) Not more than three annually, tenable for three years from the commencement of residence, value £40 a year, to students from Westminster School.

(ii) Six Samwaies Exhibitions, one of which is awarded to each Westminster Exhibitioner. They are tenable for two years, and are of a value not exceeding £25 each for the first year and £20 for the second.

<sup>1</sup> Full information as to the Sizarships and the conditions on which they are granted may be obtained on application to any of the Tutors. Research Students are not eligible for Sizarships.

(iii) Two, value at present about £15 a year, tenable for two years, founded by Mr Perry for scholars from St Paul's School, London. These are awarded on the results of the Annual College Examination.

(iv) One, tenable for three years, value at present about £45, founded by the Rev. R. B. Podmore, for the name and kindred of the founder, or in default of such for a native of the county of Salop, educated for four years at the least at the Grammar School of Shrewsbury.

(v) Three, each tenable for three years, value £40 a year, founded by Sir Lees Knowles, Bart., M.A. One is awarded each year at Rugby School to a student entering at Trinity College.

(vi) One Bishop Lee Scholarship, tenable for three years, awarded by an examination held under the direction of the Bishop of Manchester. Candidates must be sons of such clergymen of the Church of England as shall, on or before the day of examination, whether as Stipendiary Curates or Incumbents, have been licensed to officiate and shall have officiated in the diocese of Manchester for a period or different periods not less in the whole than five years, and who at the time of such examination shall declare themselves to be members of the Church of England. The fund from which this scholarship is payable is not administered by the College.

(vii) Two, one of the value of £50 and one of the value of £30, are offered by the College on certain conditions which can be obtained from the Senior Tutor, to candidates selected for admission to the Civil Service of India at the Open Competitive Examination held in August. Prizes, each of the value of £10, are also given to those among the candidates who during each term of their year of probation have resided at the College and who in the "Final Examination" obtain the highest marks of candidates who have so resided in (i) Arabic, or (ii) Sanscrit, or (iii) Persian, provided that they obtain at least three-fifths of the total marks given for those languages respectively.

The following emoluments are awarded for proficiency in special subjects:

(a) An Exhibition of £35 a year, tenable for one year during residence, is awarded to the Junior Soph who in the Annual College Examination passes the best examination in Theology provided the Examiners deem him of sufficient merit. The Examiners may recommend the Council to increase the value of this Exhibition to £50 a year in any year in which the Exhibitioner seems to them to be of sufficient merit.

(b) A Prize for the encouragement of the study of Modern History, consisting of the income derived from a Fund given to the College by Mr E. E. Bowen, formerly Fellow. The examination for the Prize is in the subject of Modern History generally, no special period book or subjects being

set or recommended beforehand. The Prize is open to all Undergraduates of the College in their first year of residence.

(c) An Exhibition, value at present about £40 a year, founded in 1858 by the representatives of the Rev. Richard Sheepshanks, late Fellow of the College, for the promotion of the study of Astronomy. It is tenable for three years, and open to the public competition of all Undergraduates of the University; but the person elected, if not a student of Trinity College, shall thereupon become a student of that College. The last examination was held in the Lent Term 1917.

(d) In the year 1871 the sum of £600 was given by Alfred John Vidil, Esq., to found a Prize for proficiency in the French Language and Literature, to be called the VIDIL PRIZE. Also in 1877 the sum of £500 to found a second Prize was given by a French gentleman of high rank, who desires that his name may not be made known. The Prizes, the First Prize of the value of £40, the second of £30, are adjudged triennially after an Examination held in the Lent Term, which is open to Undergraduates of the College in their first, second, or third year of residence. The last examination was held in the Lent Term 1919.

(e) The late Rev. Coutts Trotter, Vice-Master of the College, founded by bequest a Studentship (called the COUTTS TROTTER STUDENTSHIP) for the promotion of original research in Natural Science, more especially Physiology and Experimental Physics. The Studentship, which is awarded at intervals of not more than two years, is open to graduates of the college, not being Fellows, who are of not more than seven years standing from the time of commencing residence. The Studentship is not awarded by examination, and in the election regard is had more to the promise of power to carry on original work than to the amount of work already done. The Student during his tenure of the Studentship is to devote his time to the promotion of research and is not systematically to engage in any Educational or other work which in the opinion of the Council would hinder such research. The Student receives (if the income of the endowment suffices) £250 a year, or, if a Scholar, such sum as together with his Scholarship amounts to £250. Provision is also made for a Reserve Fund, from which grants may be made for special purposes.

(f) The late Edward Henry, 15th Earl of Derby, in the year 1893 left the sum of £2000, to found a Prize or Scholarship or Exhibition. The Council have established a Studentship to be called the EARL OF DERBY STUDENTSHIP, for the promotion of Historical Study and Research. The Studentship is awarded annually in the Easter Term, and is open to members of the College of not less than seven nor more than fourteen terms standing. The Studentship is tenable for one year, but a Student may be re-elected once. He receives the net income derived from the above sum of £2000.

Under the Will of Mrs A. M. Mednyanszky, wife of Col. A. Mednyanszky, a sum of £1000 was invested in the year 1877 for the purpose of founding a Lectureship in Ecclesiastical History, to be called the BIRKBECK LECTURESHIP, in memory of T. B. Birkbeck and F. G. Birkbeck, the brother and sister of the donor. The Lectureship is tenable for two years, and is in the gift of the Council, whose choice is restricted to Graduates of Oxford or Cambridge.

The late Mr W. G. Clark, Senior Fellow and Vice-Master of the College, having left his estates at Dows Gill and Bowes, in the county of York, to the Master, Fellows, and Scholars absolutely, the Council have established a Lectureship in the Literature of England from Chaucer to the present time, to be called the CLARK LECTURESHIP; the Lecturer is appointed annually with a stipend of £200 a-year. He is required during his year of office to deliver a course of not less than twelve lectures in full term, according to a scheme to be approved by the Council.

Sir Lees Knowles, Bart., M.A., founded in 1912, the LEES KNOWLES LECTURESHIP IN MILITARY HISTORY. The office is an annual one, and the appointment rests with the Council.

In the year 1917 the sum of £1000 was given by G. E. Turner, Esq., to found a Lectureship in the Philosophy of the Sciences to be called the TARNER LECTURESHIP.

### ANNUAL PRIZES

The Examinations in Mathematics, Classics, Moral Sciences, Natural Sciences, Theology, Law, History, Mediaeval and Modern Languages, Mechanical Sciences and Economics for students in their first or second year take place soon after the division of the Easter Term. Prizes of books are awarded on the results of these examinations and of the Triposes.

The friends of the late Archdeacon Déaltry in the year 1850 founded two Prizes of about fifteen guineas each to be called the Dealtry Prizes. These are given to the Freshman and Junior Soph who pass the best examination in the Greek Testament and are also awarded prizes in the College Examination or (in the case of a Junior Soph) placed in the First Class in one of the Tripos Examinations.

Twenty-five pounds are given annually in Greek Testament Prizes to not fewer than five Freshmen or Junior Sophs not being Dealtry Prizemen.

Dr Paris left a Prize of £4 for the best Latin Declamation. The College sometimes adds a second prize if the Examiners so advise.

Dr Hooper left three Prizes, one of £20, the other two of £10 value each, half being given in plate and half in books, for the three best English Declarations.

A Prize of £10 left by Mr Greaves of Fulbourn is awarded for

an Essay on some subject connected with the History of the British Empire.

A Prize of three guineas is awarded by the College in each term for Classical Composition and Translation.

The best Reader in Chapel receives a Prize of £4, the second a Prize of £2, at the discretion of the Senior Dean.

A Prize of ten guineas is given by the College in each year for an English Essay.

Dr Walker left a rent-charge of £10 for one or more poor Scholars, who shall appear to the Master, Vice-Master, and Senior Dean, most deserving at the time of taking the Bachelor's degree.

One or more similar Prizes, of £10 each, are given annually from a Fund contributed by the Rev. W. C. Mathison, late Vice-Master of the College.

The Rev. E. Yeats founded two Prizes of ten pounds each, to be given in Books: one to the Scholar on the Foundation who shall most distinguish himself in the Mathematical Tripos; the other to the Scholar who in the opinion of the Master, Vice-Master, Deans, and Head Examiner, shall have most distinguished himself for general regularity of conduct.

### ADMISSION

Every candidate for admission, unless especially exempted under the regulations given below, must pass an Entrance Examination before he can be admitted a member of the College. The Entrance Examinations are held in June and, if any vacancies remain, in September.

Applications for admission and all enquiries should be addressed to one of the Tutors.

A student may be admitted a member of the College without examination (provided that his application to a Tutor be made sufficiently early and be approved by the College authorities) if he has distinguished himself in one of the Scholarship Examinations of the College: or under certain conditions if he holds a Higher or School Certificate from the Oxford and Cambridge Schools Examination Board, or has gained exemption from both parts of the Previous Examination: or has passed the Matriculation Examination of the University of London, or of the Universities of Manchester, Liverpool, Leeds and Sheffield, provided that Latin or Greek be one of the subjects in which he has passed: or has graduated at any University in Great Britain and Ireland or at any University affiliated to the University of Cambridge: or has been accepted by the University as a Research or Affiliated Student.

## *Emmanuel College*

(FOUNDED 1584)

ARMS: *silver a lion rampant azure holding a wreath of laurel leaves in his right paw with the word EMMANUEL in black letters on a white scroll above his head.* These arms, which are derived from those of the Founder, were granted to the College in 1588 by Robert Cooke, Clarencieux King of Arms.

*The original Statutes and the Founder's Copy are in possession of the College*

THIS College was founded by Sir WALTER MILDMAY, Chancellor of the Exchequer and Privy Councillor in the reign of Queen Elizabeth, and is now governed by Statutes confirmed by Order of the Queen in Council, 3 May, 1882, and amended in 1893, 1898, 1908, 1910, and 1915. The Foundation consists at present of the Master, sixteen Fellows (who shall be either Senior or Junior Fellows), and thirty-one Scholars. The Junior Fellowships are tenable in the first instance for three years from the date of election, and are open to Graduates of the University of Cambridge or Oxford or some other University. The Senior Fellowships are tenable generally so long as the persons elected hold any one of the following qualifying offices of the University, viz.: Professor, Reader, Orator, Librarian, Registrar, or any one of the following qualifying offices of the College, viz.: Dean, Tutor, Bursar, Assistant-Tutor, Lecturer. Besides persons holding any one of these offices any person eminent in Theology, Literature, or Science is eligible to a Senior Fellowship. One of the Senior Fellowships is appropriated by Statute to the Dixie Professor of Ecclesiastical History. After a certain length of tenure, depending in each instance on the qualifying office, a Senior Fellow becomes entitled to hold his Fellowship for life.

The portion of the Corporate Income assigned to the Scholarship Fund is defined by Statute. The Foundation Scholarships at present constituted are

|                                    |
|------------------------------------|
| Nine Scholarships of £80 per annum |
| Ten ..... £60 .....                |
| Twelve..... £40 .....              |

In cases of special merit the values of any of these Scholarships may be increased by grants from funds arising from vacancies of Scholarships or otherwise. The Governing Body may from time to time suspend the election to any Scholarship for such time not exceeding two years as they shall deem expedient.

There are also one or more Scholarships on the foundation of Dr Thorpe, the number of which varies according to the income of the Thorpe Fund. These Scholarships are awarded to students of not less than three terms standing, and are primarily applied towards the encouragement of the study of Theology. They are tenable with any one of the above-named Scholarships on the College Foundation.

In addition there are the following Scholarships and Exhibitions with preference in favour of candidates from certain Schools, viz. :

| No. | By whom founded    | Value         | Preference                       |
|-----|--------------------|---------------|----------------------------------|
| 4.  | Archdeacon Johnson | £20 per annum | { Oakham and<br>Uppingham        |
| 2.  | Mr Ash             | £50 .....     |                                  |
| 1.  | Dr Smith           | £16 .....     | { Derby and<br>Ashby de la Zouch |
| 3.  | Sir Wolstan Dixie  | £30 .....     |                                  |
|     |                    |               | { Durham and<br>Newcastle        |
|     |                    |               | Market Bosworth                  |

Besides these there are other Exhibitions arising from accumulations from vacancies which are applied to the encouragement and assistance of deserving students.

Scholarships are usually awarded to resident members of the College after the College Examinations in the Lent and Easter Terms, and are tenable till the B.A. degree or, with special permission of the Governing Body, for a further period, but in no case beyond the M.A. degree.

Scholarships (tenable in the first instance for not more than two years) are also annually offered for competition to candidates (under nineteen years of age) who have not commenced residence. Three Scholarships of £80, three of £60, and two of £40 will be offered for competition at an examination to be held in the month of December, 1920.

There are two Subsizarships of the value of £30 tenable for one year and open, without restriction of age, to candidates who have not commenced residence, and four Sizarships of £45 tenable for two years. Application for a Subsizarship must be made to the Master.

Exhibitions not exceeding £30 in value are awarded on the results of the Entrance Scholarship Examinations, and they are also awarded to residents on the results of the annual College Examinations.

There is also offered annually an Exhibition of the value of £40 a year tenable for three years by a student at the Cambridge University Day Training College.

Two Exhibitions of £50 a year tenable for two years are offered annually to Research Students commencing residence in the University as members of Emmanuel College in October. Additional grants will be made in special circumstances. Further information may be obtained from the Master.

Two Studentships, each of the maximum value of £150, are annually offered to graduate members of the College for the encouragement of advanced study and research. They are tenable in the first instance for one year, but a Student is re-eligible for a second period (and in special cases for further periods) of one year. A Student may have permission to reside at a foreign University or other approved place of study.

The Governing Body of the College are prepared to consider applications for grants to assist in publishing the results of original investigation and research by graduate members of the College.

In the disposition of the Fellowships, Scholarships, &c. of the College, distinction in any branch of study encouraged by the University will be recognized.

For particulars as to the conditions of admission to the College, application should be made to the Master.

### ANNUAL PRIZES

In the Lent and Easter Terms there is a general Examination of the Undergraduates. In June, Scholarships, &c. are adjudged.

A Prize of two guineas is awarded to each student who has obtained a First Class in a Tripos or in an Intercollegiate Honours Examination.

There are also the following annual Prizes, open, except where otherwise specified, to all members of the College under the standing of B.A. (other than Research Students, who are eligible only for 2, 5, 6, 8).

1. £2. 2s. in books for the best exercises in Greek Verse Composition and Latin Verse Composition.

2. £4. 4s. in books for the best English Essay upon some Theological, Literary or Historical Subject.

3. £4. 4s. in books for proficiency in English Literature. Awarded on the results of an examination held at the beginning of the Lent Term.

4. Books to the value of £5. 5s. are given to the first and second year students who respectively pass the best examination in the Greek Testament.

5. A Prize of £5, founded by the late Rev. O. Glover, B.D., Fellow of the College, for the encouragement of the study of Hebrew.

6. A Prize of about £5. 5s. established by the friends of the late R. K. Rodwell, M.A., Barrister-at-Law and Fellow of the College, is awarded to the graduate member of the College of not more than three years' standing from his first degree who shall have most distinguished himself in the Law Tripos or any other of the University examinations in Law.

7. Indian Civil Service Prizes. A Prize of £2. 2s. in books is given to the resident member of the College who takes the highest place in the Open Competition for the Indian Civil Service; and a Prize of £10 to the resident member of the College who stands highest in the first half of the list of successful candidates in the Final examination for selected candidates.

8. The Sudbury-Hardyman Prize of £30 is awarded for the best dissertation by a Graduate Member of the College under the standing of M.A.

# Sidney Sussex College

(FOUNDED 1596)

ARMS: those of the Foundress, *silver a bend engrailed sable* (for Radcliffe), impaling *gold a pheon azure* (for Sidney). The Lady Frances Sidney was the widow of Thomas Radcliffe, earl of Sussex. There is no trace of any formal grant of arms to the College, but the assumption of the arms of the Foundress without such a grant is not a violation of the principles of heraldry.

THIS College was founded in the year 1596, under the Will of the LADY FRANCES SIDNEY, Countess Dowager of Sussex, by virtue of a Charter granted by Queen Elizabeth in 1594 to Henry Earl of Kent and Sir John Harrington, the Executors, with the title of the College of the Lady Frances Sidney Sussex (*Collegium Dominae Franciscæ Sidney Sussex*).

The present Society consists of the Master, eleven Fellows, and thirty-six Scholars.

There are Lectureships in Mathematics and Natural Sciences on the Foundation of Samuel Taylor.

There is a College Library consisting chiefly of Theological and Classical works, and also a separate collection of Mathematical and Scientific works in the 'Taylor Library.'

## SCHOLARSHIPS AND EXHIBITIONS

Twenty-four Foundation Scholarships of at least £40 a year

Six Taylor Scholarships of at least „ £50 „

Six Taylor „ „ £30 „

Three Blundell Exhibitions, for Tiverton School ..... £60 „

Four Johnson Exhibitions, with preference to Oakham or Uppingham Schools ..... £20 „

Two Lovett Exhibitions, for sons of graduate clergymen who are candidates for Holy Orders, with preference to those educated at Grantham or Oakham Schools £30 „

Two Barcroft Exhibitions, for sons of clergymen ..... £12 „

Three James Johnson Exhibitions for sons of clergymen who were educated at the College ..... £20 „

One Arthur Sells Exhibition for King Edward VII School, Sheffield ..... £50 „

There are also Sizarships of the value of £30 a year each.

Scholarships and Exhibitions are awarded, according to the results of the Examination of students of each year, at the end of the Easter Term.

There is also an annual Examination for Scholarships, Exhibitions, and Sizarships, beginning in 1920 on December 7, open to all students who intend to commence residence in the following October.

The Scholarships and Exhibitions are paid from funds reserved for the purpose. The College need not fill up a vacant Scholarship if there be no competent candidate, nor need the whole income of the Scholarship Funds be expended in any one year, but any residue which may remain is applied or reserved for augmenting Scholarships, or granting Exhibitions to poor and deserving students of the College.

### ANNUAL PRIZES

At the examination at the end of the Easter Term prizes are adjudged to those who distinguish themselves in the different branches of the examination.

There are prizes for an English Essay, for knowledge of the Greek Testament, and for the best Reading in Chapel.

A Prize of £5 is given to every student of the College who obtains a First Class in any Tripos. Awarded in 1920 to W. B. Barker, A. Bond, K. Chand, L. M. Clark, H. B. Lawson, R. C. Odams, L. R. W. Price, H. P. Sherwood, T. H. Smyth.

## Downing College

(FOUNDED SEPT. 22, 1800)

*The Charter and Statutes are printed.*

ARMS: *Barry of eight pieces silver and vert a griffin of gold and a border azure with eight silver roses.* These arms, with the motto QVÆRERE VERVM, were granted in 1801 by the three Kings of Arms, Garter, Clarencieux, and Norroy. They are composed of the arms of the Founder, with the addition of a border for difference.

THE sole Founder of this College was Sir GEORGE DOWNING, Bart.,<sup>1</sup> of Gamlingay Park, in this county; who, by a Will, dated 20th December, 1717, devised his estates in the counties of Cambridge, Bedford, and Suffolk, first to Sir Jacob Garrard Downing, and afterwards to other relations in succession, and in failure thereof, to build and found a College in this University, upon a plan to be approved by the two Archbishops and the Masters of St John's and Clare Colleges. This direction was the reason for giving them the power which they possessed in elections and other matters, by the original Charter and Statutes.

Sir George died in 1749, and Sir Jacob in 1764, and (the other devisees having previously died without issue) upon this event the Foundation ought immediately to have been carried into execution. But the estates were in the possession of Lady Downing, and afterwards of her devisees, without any real title, and when the University sued in Chancery for the establishment of the College, the party in possession resisted the suit in that court. In 1769, a decree was obtained in favour of the Foundation.

The persons named as trustees in the Founder's Will having died in his lifetime, the execution of the trusts devolved upon the heirs at law; who after combating a long series of opposition and litigation, and overcoming obstacles of various descriptions, preferred a petition to the Crown for a Charter; and at length, in

<sup>1</sup> He was installed a Knight of the most Honourable Order of the Bath, June 30, 1732.

1800, the Privy Council decided to recommend the Foundation to his Majesty.

On the 22nd of September, 1800, the Great Seal was affixed to the Charter by Lord Loughborough. By this Charter the College was incorporated with the University; was endowed with all the privileges of the same, and with all the estates devised by its Founder; and also with the power of holding landed property in addition to the value of £1500 per annum.

The members appointed in the Charter, for the purpose of taking possession of the estates, administering the revenues, superintending the building of the College, and for the other necessary purposes were

The first Statutes were framed in 1805. In 1860 new Statutes were given by the University Commissioners under the provisions of 19 and 20 Victoria c. 88, and in 1882, revised Statutes under the provisions of the Oxford and Cambridge Universities Act, 1877. According to these Statutes the College shall consist of a Master, two Professors (one of the Laws of England, and one of Medicine), of at least six Fellows, and of at least six Scholars.

The Master, who is elected by the Professors and Fellows, must be a Master of Arts, Master of Laws, Doctor of Medicine, or of some superior degree in the University, and of not less than thirty years of age.

The Professors are elected in accordance with the provisions of the Statutes of the University for Elections to certain Professorships, the Electors being the Board of Electors defined by that Statute, together with the Master if he be not a candidate. The Law Professor must be, at the time of his election, a Graduate in Law or Arts of one of the English Universities, and also a Barrister-at-Law. The Medical Professor must be, at the time of his election, a Graduate in Medicine of one of the Universities of the United Kingdom, and of not less than twenty-five years of age. The Professors have by the Charter the same privileges, franchises, and liberties as any Professor in the University, and are bound to read a course of lectures in their respective faculties, on the usual terms upon which public lectures are given. They are capable of holding any of the lay offices in the College.

Candidates for Fellowships (except Honorary Fellowships) must have taken a degree in Arts, Law, or Physic in one of the Universities of Cambridge or Oxford. The electors are the Members of

the Governing Body. The Fellowships are tenable for seven years from election, provided that no year in which a Fellow shall have been engaged during two terms in College work shall be reckoned in his term of seven years, and provided also that any Fellow who has held the office of Tutor during twenty-five years shall be entitled to retain his Fellowship for the rest of his life.

A Fellow vacates his Fellowship by election to a Professorship of the College, by becoming a Foundation Member of any other College in any University in the United Kingdom, or by institution to an Ecclesiastical benefice in the gift of the College, the net annual value of which is not less than four hundred pounds.

Provision is made for one or two Chaplains according to the circumstances of the College, the right of appointment being vested in the Governing Body.

### SCHOLARSHIPS.

The Foundation Scholarships vary in value from £50 to £80. Foundation Scholarships are tenable *at least* until the holder be of standing to take the degree of Bachelor of Arts.

Scholarships are awarded to students of the College at the annual Tripos and Intercollegiate Examinations after the division of the Easter Term for distinction in Natural Science, Moral Philosophy, History, Law, Mathematics, Mechanical Science, or other subjects.

Minor Scholarships and Exhibitions are offered annually for competition among persons who are not members of the University, and in awarding one or more of them a preference will be shewn to candidates, if any, from New College, Eastbourne.

The Examination takes place in February or March.

The Minor Scholarships vary in value from £30 to £50 per annum, and are tenable until their holders are of standing to compete for a Foundation Scholarship. Exhibitions not exceeding £30 in value may be offered to candidates who fail to obtain Scholarships.

The Examination is in Mathematics, Classics, Modern Languages, Law, History, Natural Science, and Mechanical Science (with an English Essay and a paper on French and German translation in every case). All candidates are expected to shew a competent knowledge of the subjects of the Previous Examination, or to be entitled to exemption therefrom. The subjects of Examination in Mathematics are Geometry, Algebra, Plane Trigonometry, Elementary Statics and Dynamics, and the Elements of Differential Calculus. The Examination in Law will comprise (i) a paper on Roman Law, (ii) a paper on the English Law of Real Property and (iii) a paper on English Constitutional Law and History. No candidate will be examined in more than two of the above subjects and every candidate is required to declare, at the time of sending in his testimonials, for which of the three subjects he

desires to present himself. A list of books recommended will be sent on application to the Tutor. The Examination in History comprises (i) a paper of General Questions on History, Literature, Political Science, and Economics, (ii) a paper on English History, (iii) a paper on Greek and Roman History *or* (alternative) on European History 1494—1878. A list of books recommended will be sent on application to the Tutor. The Examination in Natural Science includes papers and practical work on Chemistry, Physics, Biology, Zoology, Geology, and Botany. The Examination in Modern Languages includes English, French, German, Spanish, and Italian.

The Examination in Classics comprises Translation from Greek and Latin authors, and Prose Composition. In making awards a general preference is exercised in favour of candidates who will subsequently read for Degrees in Law or Medicine. Candidates elected for proficiency in Mathematics or Natural Science may be allowed to read for the Mechanical Sciences Tripos.

Candidates for Scholarships in Mathematics, Mechanical Science, Natural Science, History, and Classics must be under the age of 19 years. There is no such limitation in the case of candidates in Law, and candidates above the age of 19 may be allowed to compete for Exhibitions.

Prizes of books are given to those students who most distinguish themselves at the annual Examinations in the Easter Term.

## Selwyn College

(PUBLIC HOSTEL: FOUNDED 1882)

ARMS: The arms of George Augustus Selwyn as Bishop of Lichfield. These are the arms of the Bishoprick of Lichfield: *party gules and silver a cross potent and quadrate between four crosses formy all counter-coloured*, impaled with those of the Selwyn family: *silver a bend and two cotises sable with three gold rings on the bend and an engrailed border gules in chief a crescent gules for difference*, as the Bishop was a second son.

THIS College was founded by public subscription in memory of GEORGE AUGUSTUS SELWYN, late Bishop of Lichfield, and formerly Bishop of New Zealand. By the terms of its Charter it is founded 'with the especial object and intent of providing persons desirous of academical education, and willing to live economically, with a College wherein sober living and high culture of the mind may be combined with Christian training, based upon the principles of the Church of England.' It was incorporated by Royal Charter on September 13, 1882, and recognised as a Public Hostel of the University by Grace of the Senate, Feb. 8, 1883. It is governed by a Master and Council consisting of not more than sixteen members, of whom five are *ex officio*. Subject to the authority of the Master and Council as defined in the Charter, the internal administration of the College is in the hands of an Administrative Body consisting of the Master and Fellows.

Under the Statutes of 1913 there shall be not less than six or more than ten Fellows. In the election of Fellows those persons are elected who are judged to be best qualified to promote the honour and interests of the College as a place of Religion, Education, Learning, and Research. A Fellow of the College must on election be and must remain a Member of the Church of England or of some Church in communion therewith. No person may be elected a Fellow who does not hold office in the College as Bursar, Tutor, Dean, or Lecturer, or in the University as Professor or Reader. A Fellow retains his Fellowship as long as he holds one of the above-mentioned qualifying offices or is a Member of the Council.

## SCHOLARSHIPS, PRIZES AND GRANTS

a. Entrance Scholarships and Exhibitions are offered annually. They are awarded for proficiency in Classics, Mathematics, the Natural Sciences, History, and Theology, and are tenable for two years, at the end of which time the holders may be re-elected. The Examination in 1921 will be held on March 15—17.

b. Scholarships, Exhibitions, and Prizes in Books are awarded at the end of the Easter Term, on the results of the Examinations then held, in any subject of study recognised by the University.

The Bishop John Richardson Selwyn Scholarship of £30 per annum was founded in 1898 by Mrs J. R. Selwyn in memory of her husband, formerly Master of the College.

The Arthur Lyttelton Scholarship of £30 per annum was founded in 1903 by the Rev. T. H. Orpen in memory of the Reverend the Honourable Arthur Temple Lyttelton, D.D., the first Master of the College, and afterwards Bishop of Southampton.

A Scholarship of £30 per annum was founded in 1904 in memory of the Right Rev. Bishop Charles John Abraham, D.D.

A Scholarship of £30 per annum is given by Mrs Clark Maxwell in memory of her father, Prebendary William Selwyn.

Three Barwell Scholarships of £40 per annum were founded in 1914 upon the benefaction of the late Prebendary H. Sanxay Barwell. They are given in the first instance to candidates who desire to devote their lives to the spread of the Gospel in the Mission Field abroad. If no qualified candidate presents himself, the Scholarships may be thrown open to unrestricted competition.

The Sing Prize, founded in 1902 in memory of the Reverend George Herbert Sing, M.A., formerly Tutor of the College, is given to an undergraduate of the College who in his second or third year gains the highest place in Part I. of the Classical Tripos, provided that he is placed at least in the Second Class.

The Searle Prize, being the interest on a legacy of £100 from the Rev. Frederick Charles Searle, M.A., formerly Tutor of the College, is given annually for an English Essay.

The Appleton Prize, founded in memory of the Rev. Richard Appleton, M.A., formerly Master of the College, is given annually to the best reader in Chapel.

The Derbyshire Prize of £10, being the interest on a fund raised in the county of Derby to commemorate the centenary of the birth of Bishop G. A. Selwyn, is awarded every three years for an essay on some subject connected with the propagation of the Gospel through missionary exertions in India and other parts of the heathen world. Candidates for the Prize must be graduates of the College. The next award will be in 1921.

c. The Ratcliffe Exhibition, being the interest on £1000, was founded in 1893 by bequest of the Reverend Thomas Ratcliffe, B.D. It is tenable by a Scholar of King Edward VI. School,

Birmingham, in Classics or Mathematics, who shall be elected by the College at the Entrance Scholarship Examination. If no fit candidate present himself from that School, the Exhibition is to be offered for open competition.

*d.* An Organist Scholarship is awarded from time to time, of the value of £30 per annum.

*e.* From St Edmund's School Canterbury, a Watson Wagner Scholarship, of the value of not more than £100 a year, is tenable for three years either at Selwyn College, Cambridge, or Keble College, Oxford, by a Scholar elected at the School.

*f.* From St John's School, Leatherhead, a James Wagner Scholarship of about £100 per annum for three years is tenable either at Keble College, Oxford, or Selwyn College, Cambridge, by a Scholar elected at the School.

*g.* From Mansfield Grammar School, a Paget Exhibition of £20 a year, is tenable for not more than three years either at Selwyn College, Cambridge, or Keble College, Oxford, by an Exhibitioner elected at the School.

*h.* Grants are occasionally made to assist deserving students to complete their College course.

The income of the Mitchell Bequest is applied from time to time to assist poor and deserving members of the College who are candidates for Holy Orders in the Church of England to obtain the necessary education.

*i.* The income of the Trust Fund established by Bishop Hobhouse in memory of Bishop Patteson for the purpose of Missionary Education, and augmented by the Rev. C. Warner and the Rev. Dr Bailey, is applied to the maintenance in Selwyn College of one or more Missionary Students, to be called Patteson Students. The Studentships are offered to Graduates of Cambridge, Oxford, or some other University: but in the absence of suitable graduate candidates the Master and Council may appoint as Junior Students undergraduates or persons who have not yet entered the University. Students who are Graduates receive free board and rooms in College during Full Term, and an allowance for tuition; Junior Students, as a rule, receive £17 a term.

### ADMISSION

This College is open to members of the Church of England or of any Church in Communion therewith, whatever career they intend to follow.

A candidate for admission to the College will be required to pass the College Entrance Examination, unless he has already passed the University Previous Examination or presents a Certificate of exemption from this Examination recognised by the University.

Applications for admission should be made to the Master.

## *Fitzwilliam Hall*

(NON-COLLEGIATE STUDENTS)

ARMS: the shield of the Fitzwilliams, lozengy silver and gules and a chief with the arms of the University of Cambridge.

THE "Non-Collegiate" body was created in 1869, when Undergraduates began to be admitted members of the University without being compelled to attach themselves to any of the seventeen endowed Colleges. The government has been entrusted by the University to a Board, elected by the Senate. The Board appoint the Censor and the Staff.

In 1892 Fitzwilliam Hall, a house built in 1727, was reconstructed to serve as the centre of the corporate life of the students, to whom it stands in the same relation as an endowed College to those junior members of the College who live outside the walls. It has given its name to the Amalgamated Clubs and, by usage, to the "Non-Collegiate" body as a whole. Here the students meet the Censor and Staff for supervision and instruction, attend Chapel, dine in Hall, transact the business of the Amalgamated Clubs and of various societies, hold weekly debates or concerts, and make use of the Library, Reading Room, Writing Room, and general club accommodation. Several members of the Staff and others occupy the rooms of residence. Residence within the walls is recognised by the Board of Education as Collegiate. The original house has been supplemented by a group of some twelve adjacent houses, thus forming a community of about sixty students.

The Worshipful Company of Clothworkers have granted Exhibitions of £30 a year each, tenable for three years, two to be awarded in November in each year to students reading for Honours and intending to take Holy Orders. The Exhibitioners in residence are T. C. L. Vincent, R. P. Cavendish and K. B. Batchelor.

The Company also give an additional sum of £10 to each Exhibitioner who attains the B.A. degree, or £30 should his name appear in the First Class in any Tripos.

Exhibitions may be awarded by the Board to candidates for Honours. Last year Exhibitions of £25 were held by R. S. Inamdar, B.A., and M. Watkins. This year like Exhibitions have

been awarded to C. P. T. Winckworth (Oriental Languages) and C. C. Desai (Natural Sciences) and re-awarded to M. Watkins (Mathematics). One or more Exhibitions from the endowment inaugurated by the students resident in 1912 may be awarded next year. The Eric Noel Player Memorial Bursary of £15, tenable for three years, has been awarded to J. B. C. Grundy.

A student is annually appointed Librarian at a stipend of £15. Last year H. Lawton, and for the present year W. A. W. Bell have been appointed.

Prizes have been awarded to J. F. Smith for Mechanical Sciences and to C. G. Radford for Geography.

An Annual Prize of about seven guineas in books for proficiency in the Greek Testament has been founded by Mrs J. Y. Gibson. This year it was not awarded, but a grant of £2 was made to F. Cook.

An Annual Prize of £5 in books is given by Rev. W. Harvey for History. Last year it was not awarded.

Applications for admission or for information are to be addressed to the Censor, Fitzwilliam Hall, Cambridge.

## MEMBERS OF THE SENATE NOT ON THE BOARDS OF ANY COLLEGE OR HOSTEL

THE privilege of being a Member of the Senate without being on the boards of any College was formerly granted only to residents in Cambridge, *Commorantes in villa*; but it is now extended to all persons qualified to be Members of the Senate who, having paid up all the back fees for which they are liable, continue to pay direct to the Registry the University dues of four shillings and threepence a quarter. These payments are usually made in one annual sum of seventeen shillings every Michaelmas. [But for the new Regulations applying to students matriculating after the end of the Lent Term, 1915, see p. 171 above.]

Every such person has a vote in the Senate and the use of the University Libraries, Museums, &c.

If any Master of Arts who has graduated as a member of a College desires to have his name placed on the University Register without being a member of a College, he must furnish to the Registry a statement signed by the Master of his College giving the date at which his name was removed from the College boards and certifying as to the payment of all University dues from the date of his first degree up to the date of such removal. When the arrears have been paid, the name of such a person can be placed on the Register, but (unless the transfer is made at the time of his creation as a Master of Arts) one hundred and eighty days must elapse after his admission to the Register before he acquires the right of voting.

In the following list the names are arranged in alphabetical order under the highest qualifying degree. Where any person has graduated in more than one faculty, it is so stated; and the name of the College is added to which every one formerly belonged.

## EXPLANATORY NOTE

The names in the following List are arranged in the same manner as heretofore—i.e. the order of surnames is alphabetical, but within the groups formed by the same surnames the order is not strictly alphabetical, the names being arranged in the first instance by Colleges in order of foundation (viz.: Peterhouse, Clare, Pembroke, Caius, Trinity Hall, Corpus, King's, Queens', St Catharine's, Jesus, Christ's, St John's, Magdalene, Trinity, Emmanuel, Sidney, Downing, followed by Selwyn and the Non-Collegiate Students), and under the particular Colleges in order of seniority of the B.A. Degree.

In cases where a change of name has occurred since matriculation, the original name is inserted in brackets.

The dates of Degrees, except Degrees by incorporation<sup>1</sup> and full Degrees conferred *honoris causa*, count from the day of Inauguration or Creation. Thus every person admitted after the day of Inauguration in any year is a Bachelor of Arts of the following year, and similarly every person admitted to incept in Arts after the day of Creation in any year is a Master of Arts of the following year.

Titular degrees are printed in italics. In cases where no B.A. Degree is given, but a date stands in the M.A. column only, the reference is to the full Degree of M.A. conferred *honoris causa*, without examination, on the authority of a Grace of the Senate.

Names which appeared on the Register of Members of the Senate issued in October, 1919, are marked with a \*; and those which appeared on the corresponding Electoral Roll with a †. In the case of an undergraduate, M, L, or E before a date in square brackets indicates that he matriculated in the Michaelmas, Lent, or Easter Term of that year.

For a separate List of Persons whose Names are not on the Boards of any College, see also pp. 936-938.

The names of graduates can in most cases be easily traced from this index to the College Lists by looking under the highest Degree, and the names of undergraduates by referring to the date of Matriculation. Where no date of Matriculation or Degree is given in the index the name will be found among students 'admitted but not matriculated' at the end of each College List. But it should be remembered (1) that the Master, Fellows, Honorary Fellows, and former Fellows of each College do not appear under their Degrees, but are arranged in separate lists; (2) that the Scholars of Queens' and Trinity are entered in a separate list, and not under the date of Matriculation or Degree; (3) that Fellow Commoners and Research Students are as a rule classified separately; and (4) that at some Colleges 'noblemen' are in a separate class. Where no College is given the name will be found in the List of Members of the Senate not on the Boards of any College (p. 936).

<sup>1</sup> By Grace 11 of 6 March 1914 it was provided that the standing of a graduate admitted to a Degree by incorporation from the University of Oxford or the University of Dublin shall be reckoned from the date at which he was admitted to the corresponding Degree in his own University, and this principle has been applied, both in the College Lists and in the Alphabetical List of Degrees, to the incorporations of the year 1913-14 and subsequent years.

NOTE—The Pages which follow give a selection only of certain of the publications of the Cambridge University Press. A complete catalogue may be obtained post-free on application as below.

All prices in this list are net.

A Bulletin containing notes on the recent publications of the Press is published three times a year, the particulars given being such as seem sufficient to indicate the nature of the books. This Bulletin is published in February, May, and October, and will be posted regularly free of charge to any address sent for that purpose to Mr C. F. Clay, Manager, Cambridge University Press, Fetter Lane, London, E.C. 4.
